#### Section 2.01. Purchase.

(a) In consideration of the payment of the Purchase Price as provided herein, TRS does hereby sell, transfer, assign, set over and otherwise convey to RFC VIII (collectively, the “**Conveyance**”), without recourse except as provided herein, all of its right, title and interest, whether now owned or hereafter acquired, in, to and under the Receivables existing at the Initial Cut-Off Date, in the case of Receivables arising in the Initial Accounts (including Related Accounts with respect to such Initial Accounts), at the applicable Addition Cut-Off Date, in the case of Receivables arising in the Additional Accounts (including Related Accounts with respect to such Additional Accounts), and in each case thereafter created from time to time in the Accounts (unless such Account has become a Removed Account), all Recoveries allocable to such Receivables, all monies due or to become due and all amounts received or receivable with respect thereto, all Collections with respect thereto, and all proceeds (including “proceeds” as defined in the UCC) thereof, but excluding any Issuer Rate Fees allocable to such Receivables (collectively, the “**Purchased Assets**”). TRS does hereby further transfer, assign, set over and otherwise convey to RFC VIII all of its rights, remedies, powers, privileges and claims under or with respect to any related Receivables Purchase Agreement (whether arising pursuant to the terms of such Receivables Purchase Agreement or otherwise).

The Receivables existing in the Initial Accounts at the Initial Cut-Off Date and thereafter arising in the Initial Accounts on or prior to the Closing Date, and the related Purchased Assets, shall be sold by TRS and purchased by RFC VIII on the Closing Date. Receivables arising after the Closing Date in the Initial Accounts (unless such Initial Account has become a Removed Account) and the related Purchased Assets shall be sold by TRS and purchased by RFC VIII on the date such Receivables arise. The Receivables existing in Additional Accounts at the related Addition Cut-Off Date and thereafter arising in such Additional Accounts on or prior to the related Addition Date, and the related Purchased Assets, shall be sold by TRS and purchased by RFC VIII on the related Addition Date. Receivables arising after such Addition Date in such Additional Accounts (unless such Additional Account has become a Removed Account) and the related Purchased Assets shall be sold by TRS and purchased by RFC VIII on the date such Receivables arise.

(b) TRS shall (i) record and file, at its own expense, any financing statements (and amendments with respect to such financing statements when applicable) with respect to the Purchased Assets meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary to perfect, and maintain perfection of, the Conveyance of such Purchased Assets from TRS to RFC VIII, (ii) cause such financing statements and amendments to name TRS, as seller, and RFC VIII, as purchaser, of the Purchased Assets and (iii) deliver a file-stamped copy of such financing statements or amendments or other evidence of such filings to RFC VIII as soon as is practicable after filing.

(c) TRS shall, at its own expense, (i) on or prior to (x) the Closing Date, in the case of Initial Accounts, and (y) the applicable Addition Date, in the case of Additional Accounts, indicate in its books and records (including its computer files) that Receivables

created in connection with such Accounts and the related Purchased Assets have been sold to RFC VIII in accordance with this Agreement and have been conveyed by RFC VIII to the Trust pursuant to the Transfer Agreement, and (ii) on or prior to (x) the Closing Date, in the case of Initial Accounts, and (y) the applicable Addition Date, in the case of Additional Accounts, deliver to RFC VIII an Account Schedule (provided, however, that such Account Schedule shall be provided in respect of New Accounts on the New Account Delivery Date) containing a true and complete list of all such Accounts. TRS shall not alter the indication referenced in clause (i) of this paragraph with respect to any Account during the term of this Agreement unless and until such Account is no longer an Account or TRS has taken such action as is necessary or advisable to cause the interest of RFC VIII in the Purchased Assets to continue to be perfected and of first priority. The Account Schedules, as supplemented and amended, collectively shall be marked as **Schedule 1** to this Agreement, shall be incorporated into and made a part of this Agreement and shall be updated by TRS on each Addition Date (or, with respect to New Accounts, on the New Account Delivery Date) to include any new Additional Accounts, and shall be updated by TRS not later than semi-annually to include any new Related Accounts.

(d) The parties hereto intend that the conveyance of TRS's right, title and interest in and to the Purchased Assets shall constitute an absolute sale, conveying good title free and clear of any liens, claims, encumbrances or rights of others, from TRS to RFC VIII. It is the intention of the parties hereto that the arrangements with respect to the Purchased Assets shall constitute a purchase and sale of such Purchased Assets and not a loan, including for accounting purposes. In the event, however, that it were to be determined that the transactions evidenced hereby constitute a loan and not a purchase and sale, it is the intention of the parties hereto that this Agreement shall constitute a security agreement under applicable law, and that TRS shall be deemed to have granted, and TRS does hereby grant, to RFC VIII a security interest, which security interest shall be a first priority perfected security interest in all of TRS's right, title and interest, whether now owned or hereafter acquired, in, to and under the Purchased Assets to secure the obligations of TRS hereunder.

(e) To the extent that TRS retains any interest in the Purchased Assets, TRS hereby grants to the Trust and the Indenture Trustee a security interest in all of TRS's right, title and interest, whether now owned or hereafter acquired, in, to and under the Purchased Assets, to secure the performance of all of the obligations of TRS hereunder. With respect to such security interest and such collateral, the Trust and the Indenture Trustee shall have all of the rights that it has under the Transfer Agreement. Each of the Trust and the Indenture Trustee shall also have all of the rights of a secured creditor under the UCC.

(f) Each Account will continue to be owned by the related Account Owner and is not a Purchased Asset.

(g) By executing this Agreement, each of TRS and RFC VIII acknowledges and agrees that (i) on and after the date of this Agreement, all references to the Original Agreement in any other instruments or documents shall be deemed to constitute references to this Agreement, and (ii) all outstanding representations, warranties and covenants made by it in the Original Agreement and any of its existing obligations under the Original Agreement shall remain in full force and effect under this Agreement, as amended and restated.

Section 2.02. Addition of Aggregate Addition Accounts.

(a) If (i) RFC VIII is required, pursuant to Subsection 2.13(a) of the Transfer Agreement, to designate additional accounts to the Trust, or (ii) RFC VIII elects, pursuant to Subsection 2.13(b) of the Transfer Agreement, to designate additional accounts to the Trust, then in either case RFC VIII shall give written notice thereof to TRS; provided, however, that such notice shall be provided on or before the eighth (8th) Business Day immediately preceding the related addition date. Upon receipt of such notice and on or prior to such addition date, TRS shall designate sufficient Eligible Accounts as Aggregate Addition Accounts and shall sell to RFC VIII the Purchased Assets related to such Aggregate Addition Accounts. In addition, at its option and with the consent of RFC VIII, TRS may designate Eligible Accounts as Aggregate Addition Accounts and sell to RFC VIII the Purchased Assets related to such Aggregate Addition Accounts.

(b) On the Addition Date with respect to any designation of Aggregate Addition Accounts, such Aggregate Addition Accounts shall become Accounts, and RFC VIII shall purchase TRS's right, title and interest in, to and under the Receivables in such Aggregate Addition Accounts and the related Purchased Assets as provided in Section 2.01, subject to the satisfaction of the following conditions on such Addition Date:

(i) as of the applicable Selection Date, each Aggregate Addition Account shall be an Eligible Account;

(ii) TRS shall have delivered to RFC VIII copies of UCC financing statements covering such Aggregate Addition Accounts, if necessary to perfect RFC VIII's interest in the Receivables arising therein and the related Purchased Assets;

(iii) TRS shall have deposited, or shall have caused the Servicer to deposit, into the Segregation Account all Collections with respect to such Aggregate Addition Accounts since the applicable Addition Cut-Off Date;

(iv) as of each of the Addition Cut-Off Date and the Addition Date, no Insolvency Event with respect to TRS shall have occurred nor shall the sale of the Receivables arising in the Aggregate Addition Accounts and the related Purchased Assets to RFC VIII have been made in contemplation of the occurrence thereof;

(v) such addition will not, in the reasonable belief of TRS, have a material adverse effect on RFC VIII;

(vi) TRS shall have delivered to RFC VIII an Officer's Certificate of TRS, dated the Addition Date, confirming, to the extent applicable and in TRS's reasonable belief, the items set forth in clauses (i) through (v) above;

(vii) TRS shall have indicated in its computer files that Receivables created in connection with such Aggregate Addition Accounts and the related Purchased Assets have been sold to RFC VIII and shall have delivered to RFC VIII the Account Schedule with respect to such Aggregate Addition Accounts in accordance with Subsection 2.01(c); and

(viii) TRS and RFC VIII shall have entered into a duly executed, written assignment, substantially in the form of **Exhibit A** (an “**Aggregate Addition Account Supplemental Conveyance**”).

Section 2.03. Addition of New Accounts.

(a) Upon the mutual agreement of TRS and RFC VIII, subject to compliance by TRS with Subsection 2.03(b), TRS may designate newly originated Eligible Accounts to be included as New Accounts and sell to RFC VIII the Purchased Assets related to such New Accounts. TRS shall cooperate with RFC VIII to enable RFC VIII to comply with the requirements of Subsections 2.13(d) and (e) of the Transfer Agreement and shall cooperate with RFC VIII to enable RFC VIII to perform with respect to the Receivables in such New Accounts all actions specified in Subsections 2.13(d) and (e) of the Transfer Agreement.

(b) On the Addition Date with respect to any New Accounts, RFC VIII shall purchase TRS’s right, title and interest in, to and under the Receivables in such New Accounts (and such New Accounts shall be deemed to be Accounts for purposes of this Agreement) upon satisfaction of the following conditions:

(i) as of the applicable Selection Date, each New Account shall be an Eligible Account;

(ii) on such Addition Date, TRS shall have delivered to RFC VIII copies of UCC financing statements covering such New Accounts, if necessary to perfect RFC VIII’s interest in the Receivables arising therein and the related Purchased Assets;

(iii) on such Addition Date, TRS shall have deposited, or shall have caused the Servicer to deposit, into the Segregation Account all Collections with respect to such New Accounts since the applicable Addition Cut-Off Date;

(iv) as of each of the Addition Cut-Off Date and such Addition Date, no Insolvency Event with respect to TRS shall have occurred nor shall the sale of the Receivables arising in the New Accounts and the related Purchased Assets to RFC VIII have been made in contemplation of the occurrence thereof;

(v) such addition will not, in the reasonable belief of TRS, have a material adverse effect on RFC VIII;

(vi) on such Addition Date, TRS shall have delivered to RFC VIII an Officer’s Certificate of TRS, dated such Addition Date, confirming, to the extent applicable and in TRS’s reasonable belief, the items set forth in clauses (i) through (v) above;

(vii) on such Addition Date, TRS shall have indicated in its computer files that Receivables created in connection with such New Accounts and the related Purchased Assets have been sold to RFC VIII; and

(viii) on such Addition Date, TRS and RFC VIII shall have entered into a duly executed, written assignment, substantially in the form of **Exhibit B** (a “**New Account Supplemental Conveyance**”).

(c) On the related New Account Delivery Date, TRS shall deliver to RFC VIII the Account Schedule with respect to such New Accounts.

Section 2.04. Removal and Deletion of Accounts.

(a) If RFC VIII elects, pursuant to Subsection 2.14(a) of the Transfer Agreement, to remove accounts from the Trust (the “**Removed Accounts**”), RFC VIII shall give written notice thereof to TRS. Notwithstanding anything in this Agreement to the contrary, if an Account becomes a Removed Account, then TRS shall stop selling to RFC VIII Receivables arising in such Removed Account effective on the Business Day (the “**Stop Date**”) after the date such Account becomes a Removed Account. Notwithstanding the cessation of the sale to RFC VIII of additional Receivables arising in such Removed Account, Receivables sold to RFC VIII prior to the Stop Date and Collections in respect of such Receivables shall continue to be property of RFC VIII available for transfer by RFC VIII to the Trust pursuant to the Transfer Agreement; provided, however, that, to the extent TRS has accepted reassignment of the Receivables in such Removed Account as described in paragraph (b) below, Collections in respect of such Receivables which are received after the Removal Date (as defined below) shall not be considered property of RFC VIII available for transfer by RFC VIII to the Trust. To the extent that it is not clear to TRS whether Collections relate to a Receivable that was sold to RFC VIII or to a receivable that TRS did not sell to RFC VIII, TRS shall allocate payments on each such Removed Account with respect to the principal balance of such Removed Account first to the oldest principal balance of such Removed Account.

(b) Upon receipt of the notice described in paragraph (a) above and on or prior to the date for removal of the Removed Accounts (the “**Removal Date**”), RFC VIII may, at its option and with the consent of TRS, reassign its right, title and interest in, to and under the Receivables in the Removed Accounts (and such Accounts shall no longer be deemed to be Accounts for purposes of this Agreement) upon satisfaction of the following conditions:

(i) on or before the tenth Business Day immediately preceding the Removal Date, RFC VIII shall have given TRS notice (unless such notice requirement is waived) that the Receivables from such Removed Accounts are to be reassigned to TRS on the Removal Date;

(ii) on or prior to the Removal Date, RFC VIII shall amend the Account Schedule by delivering or causing to be delivered to TRS a computer file or microfiche list containing a true and complete list of the Removed Accounts;

(iii) RFC VIII shall have represented and warranted as of the Removal Date that the list of Removed Accounts delivered pursuant to paragraph (ii) above, as of the Removal Date, is true and complete in all material respects;

(iv) such removal will not, in the reasonable belief of RFC VIII, have a material adverse effect on TRS;

(v) such removal shall not exceed the Removal Limit;

(vi) the purchase price for the Receivables in the Removed Accounts as of the Removal Date shall be the then-current fair market value of such Receivables, as mutually agreed upon by TRS and RFC VIII;

(vii) such removal is not effected due to the credit or default risk of any Obligor or the Receivables;

(viii) RFC VIII shall have delivered an Officer's Certificate of RFC VIII, dated the Removal Date, confirming, to the extent applicable and in RFC VIII's reasonable belief, the items set forth in clauses (iv) through (vii) above; and

(ix) RFC VIII and TRS shall have entered into a duly executed, written reassignment, substantially in the form of **Exhibit C** (a "**Reassignment**").

(c) On and after the Stop Date for a Removed Account, TRS may mark its books and records to indicate that such Account is a Removed Account. However, TRS shall not alter the indication referenced in clause (i) of Subsection 2.01(c) with respect to such Removed Account unless and until (i) TRS, at its option, accepts reassignment of the right, title and interest of RFC VIII in, to and under the Receivables in such Removed Account, (ii) such Account becomes a Deleted Account or (iii) TRS has taken such action as is necessary or advisable to cause the interest of RFC VIII in the Purchased Assets to continue to be perfected and of first priority.

(d) Once (i) TRS, at its option, accepts reassignment of the right, title and interest of RFC VIII in, to and under the Receivables in a Removed Account or (ii) a Removed Account becomes a Deleted Account, TRS may delete such Account from **Schedule 1** hereto and, upon such deletion, shall indicate in its computer files that such Removed Account or Deleted Account, as applicable, is no longer an Account.

### CONSIDERATION AND PAYMENT

#### Section 3.01. Purchase Price.

(a) The “**Purchase Price**” for the Receivables in the Initial Accounts existing at the Initial Cut-Off Date, and the related Purchased Assets, that are conveyed to RFC VIII under this Agreement shall be payable on the Closing Date, in an amount equal to 100% of the aggregate balance of the Receivables so conveyed, adjusted to reflect such factors, if any, as TRS and RFC VIII mutually agree will result in a Purchase Price determined to be the fair market value of such Receivables and the related Purchased Assets. This computation of initial purchase price shall assume no reinvestment in new Receivables. The Purchase Price for the Receivables (including Receivables in Additional Accounts) and the related Purchased Assets conveyed to RFC VIII under this Agreement which come into existence after the Initial Cut-Off Date (i) shall be payable in cash on each Business Day or on such other periodic basis mutually agreed to by TRS and RFC VIII, but no later than the 15th calendar day (or, if such day is not a Business Day, the next following Business Day) following the calendar month in which such Receivables and the related Purchased Assets are conveyed by TRS to RFC VIII (each date on which the Purchase Price is so paid, the “**Purchase Price Payment Date**”) and (ii) shall be an amount equal to 100% of the aggregate balance of the Receivables so conveyed, adjusted to reflect such factors, if any, as TRS and RFC VIII mutually agree will result in a Purchase Price determined to be the fair market value of such Receivables and the related Purchased Assets.

(b) Notwithstanding any other provision of this Agreement, TRS shall not be obligated to continue to sell Receivables or other Purchased Assets to RFC VIII to the extent that TRS is not paid the Purchase Price therefor as provided herein.

Section 3.02. Adjustments to Purchase Price. The Purchase Price shall be reduced on the Purchase Price Payment Date (a “**Purchase Price Adjustment**”) with respect to any Receivable previously conveyed to RFC VIII by TRS which is reduced by the related Account Owner, TRS or the Servicer because of a rebate, refund, unauthorized charge or billing error to an Obligor, because such Receivable was created in respect of merchandise which was refused or returned by an Obligor, or because the Servicer or the applicable Account Owner processes as a credit adjustment any uncollectible Small Balances, or if the Servicer otherwise adjusts downward the amount of any Receivable without receiving Collections therefor or without charging off such amount as uncollectible. The amount of such reduction shall equal the reduction in the balance of such Receivable resulting from the occurrence of such event. In the event that a reduction pursuant to this Section 3.02 causes the Purchase Price to be a negative number, TRS agrees that, on the Purchase Price Payment Date, TRS shall pay or cause to be paid to RFC VIII an amount equal to the amount by which the Purchase Price Adjustment exceeds the unadjusted Purchase Price; provided, however, that if the reduction relating to such Purchase Price Adjustment also gives rise to an obligation on the part of RFC VIII as Transferor to make a deposit in the Excess Funding Account pursuant to Section 2.5 of the Servicing Agreement, then TRS and RFC VIII hereby agree that the date that RFC VIII is required to make such deposit pursuant to Section 2.5 of the Servicing Agreement shall be a Purchase Price Payment Date.

Section 3.03. Use of Name, Logo and Marks. TRS does hereby grant to RFC VIII a non-exclusive license to use the name “American Express Travel Related Services Company, Inc.” and all related identifying trade or service marks, signs, symbols, logos, designs, servicing software, customer lists and other intangibles in connection with the servicing of the Receivables purchased hereunder. The license granted shall be co-extensive with the term of the Agreement.

(ii) Due Qualification. TRS is duly qualified to do business and is in good standing as a foreign corporation or other entity and has obtained all necessary licenses and approvals, in each jurisdiction in which failure to so qualify or to obtain such licenses and approvals would have a material adverse effect on this Agreement or the transactions contemplated hereby or on the ability of TRS to perform its obligations under this Agreement.

The execution and delivery by TRS of this Agreement, the performance by TRS of the transactions contemplated by this Agreement and the fulfillment by TRS of the terms of this Agreement applicable to TRS, will not conflict with or violate in any material respect any Requirements of Law applicable to TRS or conflict with, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract, agreement, mortgage, deed of trust or other instrument to which TRS is a party or by which it or its properties are bound.

(v) No Proceedings. There are no Proceedings or investigations pending or, to the best knowledge of TRS, threatened, against TRS before any Governmental Authority (i) asserting the invalidity of this Agreement, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Agreement, (iii) seeking any determination or ruling that, in the reasonable judgment of TRS, would materially and adversely affect the performance by TRS of its obligations under this Agreement or (iv) seeking any determination or ruling that, in the reasonable judgment of TRS, would materially and adversely affect the validity or enforceability of this Agreement.

Agreement and the performance by TRS of the transactions contemplated by this Agreement have been duly obtained, effected or given and are in full force and effect.

This Agreement and the transactions contemplated hereby are arm's length, bona fide transactions.

(viii) Approval. This Agreement and each Supplemental Conveyance have each been approved by either the board of directors of TRS or by the loan committee of TRS and such approvals are reflected in the minutes of such board or committee. This Agreement and each Supplemental Conveyance have been, continuously, from the time of execution, in the official record of TRS.

(b) Notice of Breach. The representations and warranties set forth in this Section 4.01 shall survive the sale of the Purchased Assets to RFC VIII. Upon discovery by TRS or RFC VIII of a breach of any of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other party, the Owner Trustee and the Indenture Trustee following such discovery.

Section 4.02. Representations and Warranties of TRS Relating to the Agreement and the Receivables.

(a) Representations and Warranties. TRS hereby represents and warrants to RFC VIII as of the Closing Date with respect to the Initial Accounts (and the Receivables arising therein) and as of the related Addition Date with respect to Additional Accounts (and the Receivables arising therein), that:

(i) each of this Agreement and, in the case of Additional Accounts, the related Supplemental Conveyance constitutes a legal, valid and binding obligation of TRS enforceable against TRS in accordance with its terms, except as such enforceability may be limited by applicable Debtor Relief Laws or general principles of equity;

(ii) (a) as of the Initial Cut-Off Date with respect to the Initial Accounts (and the Receivables arising thereunder), **Schedule 1** to this Agreement, as supplemented to such date, is an accurate and complete listing in all material respects of all the Accounts as of such applicable date, and the information contained therein with respect to the identity of such Accounts and the Receivables existing thereunder is true and correct in all material respects as of such applicable date and (b) as of the related Addition Cut-Off Date with respect to Additional Accounts (and the Receivables arising thereunder), **Schedule 1** to this Agreement, as supplemented to such date, is an accurate and complete listing in all material respects of all the Accounts as of such applicable date, and the information contained therein with respect to the identity of such Accounts and the Receivables existing thereunder is true and correct in all material respects as of such applicable date;

(iii) each Receivable conveyed to RFC VIII has been conveyed to RFC VIII free and clear of any Lien (other than any Lien for municipal or other local taxes of the related Account Owner or TRS if such taxes are not then due and payable or if the related Account Owner or TRS is then contesting the validity thereof in good faith by appropriate proceedings and has set aside on its books adequate reserves with respect thereto);

(iv) all authorizations, consents, orders or approvals of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by TRS in connection with the conveyance of Receivables to RFC VIII have been duly obtained, effected or given and are in full force and effect;

(viii) on the applicable Selection Date, each Receivable contained in such Account on such applicable date and sold to RFC VIII by TRS is an Eligible Receivable;

(ix) as of the date of the creation of any new Receivable sold to RFC VIII by TRS, such Receivable is an Eligible Receivable;

(xi) TRS received adequate consideration for each Receivable conveyed to RFC VIII.

(b) Notice of Breach. The representations and warranties set forth in this Section 4.02 shall survive the sale of the Purchased Assets to RFC VIII. Upon discovery by either TRS or RFC VIII of a breach of any of the representations and warranties set forth in this Section 4.02, the party discovering such breach shall give prompt written notice to the other party, the Owner Trustee and the Indenture Trustee following such discovery. TRS hereby acknowledges that RFC VIII intends to rely on the representations hereunder in connection with representations made by RFC VIII to secured parties, assignees or subsequent transferees, including transfers made by RFC VIII to the Trust pursuant to the Transfer Agreement and the grant of a security interest by the Trust to the Indenture Trustee pursuant to the Indenture, and TRS hereby consents to such reliance.

Section 4.03. Representations and Warranties of RFC VIII. As of the Closing Date and each Addition Date, RFC VIII hereby represents and warrants to, and agrees with, TRS that:

(a) Organization and Good Standing. RFC VIII is a limited liability company duly formed and validly existing under the laws of the State of Delaware, and has, in all material respects, full power and authority to own its properties and conduct its business as such properties are presently owned and such business is presently conducted, and to execute, deliver and perform its obligations under this Agreement.

(c) Due Authorization. The execution and delivery by RFC VIII of this Agreement and any other document or instrument delivered pursuant hereto, including any Supplemental Conveyance, to which RFC VIII is a party, and the consummation by RFC VIII of the transactions provided for in this Agreement and any such Supplemental Conveyance, have been duly authorized by RFC VIII by all necessary company action on the part of RFC VIII.

(d) No Conflict or Violation. The execution and delivery by RFC VIII of this Agreement, the performance by RFC VIII of the transactions contemplated by this Agreement and the fulfillment by RFC VIII of the terms of this Agreement applicable to RFC VIII, will not conflict with or violate in any material respect any Requirements of Law applicable to RFC VIII or conflict with, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract, agreement, mortgage, deed of trust or other instrument to which RFC VIII is a party or by which it or any of its properties are bound.

(e) No Proceedings. There are no Proceedings or investigations pending or, to the best knowledge of RFC VIII, threatened, against RFC VIII, before any Governmental Authority (i) asserting the invalidity of this Agreement, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Agreement, (iii) seeking any determination or ruling that, in the reasonable judgment of RFC VIII, would materially and adversely affect the performance by RFC VIII of its obligations under this Agreement or (iv) seeking any determination or ruling that, in the reasonable judgment of RFC VIII, would materially and adversely affect the validity or enforceability of this Agreement.

(f) All Consents. All authorizations, consents, orders or approvals of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by RFC VIII in connection with the execution and delivery by RFC VIII of this Agreement and the performance by RFC VIII of the transactions contemplated by this Agreement have been duly obtained, effected or given and are in full force and effect.

## ARTICLE V

### COVENANTS

Section 5.01. Covenants of TRS. TRS hereby covenants and agrees with RFC VIII as follows:

(a) Receivables Not To Be Evidenced by Instruments. Except in connection with its enforcement or collection of an Account, TRS will take no action to cause any Receivable sold to RFC VIII hereunder to be evidenced by any instrument (as defined in the UCC), and if any Receivable is so evidenced as a result of any action by TRS, it shall be deemed to be a Receivable described in Subsection 6.01(a) and shall be reassigned to TRS in accordance with Subsection 6.01(b).

(b) Security Interests. Except for the conveyances hereunder, TRS will not sell, pledge, assign or transfer to any other Person, or take any other action inconsistent with RFC VIII's ownership of, the Purchased Assets, or grant, create, incur, assume or suffer to exist any Lien arising through or under TRS on any Purchased Asset or any interest therein (other than any Lien for municipal or other local taxes of the related Account Owner or TRS if such taxes are not then due and payable or if the related Account Owner or TRS is then contesting the validity thereof in good faith by appropriate proceedings and has set aside on its books adequate reserves with respect thereto), and TRS shall not claim any ownership interest in any Purchased Asset and shall defend the right, title and interest of RFC VIII in, to and under the Purchased Assets against all claims of third parties claiming through or under TRS.

(c) Account Allocations. If a Transfer Restriction Event occurs, TRS agrees (except as prohibited by any such order or any Requirement of Law) to allocate and pay to RFC VIII, after the date of such Transfer Restriction Event, all Collections with respect to Receivables previously sold to RFC VIII. To the extent that it is not clear to TRS whether collections relate to a Receivable that was sold to RFC VIII or to a receivable that TRS is unable to sell to RFC VIII, TRS agrees that it shall allocate payments on each Account with respect to the principal balance of such Account first to the oldest principal balance of such Account. Notwithstanding any cessation of the sale to RFC VIII of additional Receivables, Receivables sold to RFC VIII prior to the occurrence of the Transfer Restriction Event and Collections in respect of such Receivables shall continue to be property of RFC VIII available for transfer by RFC VIII to the Trust pursuant to the Transfer Agreement.

(d) Delivery of Collections. In the event that TRS receives Collections or any other amounts in respect of the Purchased Assets sold to RFC VIII hereunder, TRS agrees to pay to RFC VIII (or to the Servicer or the Indenture Trustee if RFC VIII so directs) all such Collections and other amounts promptly after receipt thereof.

(e) Notice of Liens. TRS shall notify RFC VIII promptly after becoming aware of any Lien arising through or under TRS on any Purchased Asset other than the conveyances hereunder.

(f) Documentation of Transfer. TRS shall timely file in all appropriate filing offices the documents which are necessary or advisable to perfect and maintain the perfection of the sale of the Purchased Assets to RFC VIII.

(g) Account Agreements and Guidelines. Subject to compliance with all Requirements of Law, TRS may effect or permit a change to the terms and provisions of the Account Agreements or the Account Guidelines applicable to the Accounts in any respect (including the calculation of the amount or the timing of charge-offs and other fees to be assessed thereon) only if such change is made applicable to any comparable segment of charge accounts owned by the related Account Owner or TRS which have characteristics the same as, or substantially similar to, the Accounts that are the subject of such change, except as otherwise restricted by an endorsement, sponsorship, or other agreement between the related Account Owner or TRS and an unrelated third party or by the terms of the Account Agreements. Notwithstanding the above, unless required by Requirements of Law, TRS will not take any action with respect to such Account Agreements or such Account Guidelines which, at the time of such action, TRS reasonably believes will have a material adverse effect on RFC VIII. TRS shall take reasonable steps to cause the related Account Owner to abide by these restrictions on changes and actions with respect to the Account Agreements and the Account Guidelines.

(h) Name and Type and Jurisdiction of Organization. TRS shall not change its name or its type or jurisdiction of organization without previously having delivered to RFC VIII an opinion of counsel to the effect that all actions have been taken, and all filings have been made, as are necessary to continue and maintain the first-priority perfected ownership interest of RFC VIII in the Purchased Assets.

(i) Annual Opinion. On or before March 31st of each calendar year, commencing March 31, 2017, TRS shall deliver to RFC VIII, with a copy to the Indenture Trustee, an opinion of counsel to the effect that (i) no further action with respect to the recording or filing of any financing statements, any amendments to financing statements, or any other documents or filings is then necessary to perfect the ownership interest of RFC VIII in the Purchased Assets, and (ii) no further action with respect to the recording or filing of any financing statements, any amendments to financing statements, or any other documents or filings will be necessary prior to March 31st of the next calendar year to perfect the ownership interest of RFC VIII in the Purchased Assets or stating what such filings will be necessary prior to such March 31st.

(j) Asset Representations Review. TRS shall (i) cooperate with the Asset Representations Reviewer in creating and, from time to time, reviewing procedures for an Asset Representations Review, and (ii) cooperate with the Servicer to provide the Asset Representations Reviewer with reasonable access to information upon the initiation of an Asset Representations Review pursuant to Section 2.17(a) of the Transfer Agreement. Following the completion of an Asset Representations Review and the delivery of the related report by the Asset Representations Reviewer, RFC VIII will provide a copy of such report to TRS. TRS shall determine whether any noncompliance with the Covered Representations constitutes a breach of any of such Covered Representations and shall provide notice of such determination to RFC VIII, the Servicer and the Indenture Trustee.

(k) Asset Representations Reviewer Fees and Expenses. At the direction of RFC VIII, TRS shall pay, or shall reimburse RFC VIII for the payment of, the fees and expenses payable to the Asset Representations Reviewer pursuant to the Asset Representations Review Agreement.

(l) Resolution of Repurchase Disputes. TRS shall cooperate with the Requesting Party in connection with any dispute resolution proceeding commenced pursuant to Section 2.18 of the Transfer Agreement and shall comply with any obligations of the “Representing Party” applicable to it thereunder. RFC VIII hereby agrees to provide TRS with the opportunity to exercise any rights of RFC VIII pursuant to the Transfer Agreement with respect to any dispute resolution proceeding commenced pursuant to Section 2.18 of the Transfer Agreement to the extent the related dispute relates to the representations and warranties of TRS contained in Section 4.02.

Section 5.02. Records. TRS shall maintain this Agreement, each Supplemental Conveyance, and the Account Schedule in the official records of TRS continuously from the time of execution.

## ARTICLE VI

### REPURCHASE OBLIGATION

#### Section 6.01. Reassignment of Ineligible Receivables.

(a) In the event any representation or warranty under Subsection 4.02(a)(ii), (iii), (iv), (vii), (viii), (ix) or (x) is not true and correct in any material respect as of the date specified therein with respect to any Receivable or the related Account and as a result of such breach RFC VIII is required under Subsection 2.6(a) of the Transfer Agreement to accept reassignment of such Receivables previously sold by TRS to RFC VIII pursuant to this Agreement, TRS shall accept reassignment of such Receivables on the terms and conditions set forth in Subsection 6.01(b).

(b) TRS shall accept reassignment of any Receivables described in Subsection 6.01(a) from RFC VIII on the date on which such Receivables are reassigned to RFC VIII pursuant to Subsection 2.6(a) of the Transfer Agreement, and shall pay for such reassigned Receivables by paying to RFC VIII in immediately available funds an amount equal to the unpaid balance of such Receivables. Upon reassignment of such Receivables, RFC VIII shall automatically and without further action sell, transfer, assign, set-over and otherwise convey to TRS, without recourse, representation or warranty, all the right, title and interest of RFC VIII in and to such Receivables, all Recoveries allocable to such Receivables, all monies due or to become due and all amounts received or receivable with respect thereto, all Collections with respect thereto, and all proceeds (including “proceeds” as defined in the UCC) thereof. Such reassigned Receivables shall be treated by RFC VIII as collected in full as of the date on which they were reassigned. RFC VIII shall execute such documents and instruments of transfer or assignment and take such other actions as shall reasonably be requested by TRS to effect the conveyance of such Receivables and other property pursuant to this Subsection.

#### Section 6.02. Reassignment of Other Receivables.

### TERM AND PURCHASE TERMINATION

Section 8.01. Term. This Agreement shall commence as of the date of execution and delivery hereof and shall continue at least until the earlier of (i) the termination of the Trust as provided in Article IX of the Trust Agreement and (ii) the Transfer Agreement being amended for the purpose of replacing RFC VIII as Transferor under the Transfer Agreement or designating an Additional Transferor under the Transfer Agreement. Thereafter this Agreement may be terminated by the mutual agreement of the parties hereto.

WHEREAS, TRS and RFC VIII are parties to an Amended and Restated Receivables Purchase Agreement, dated as of July 29, 2016 (hereinafter as such agreement may have been, or may from time to time be, amended, supplemented or otherwise modified, the “Receivables Purchase Agreement”);

WHEREAS, pursuant to the Receivables Purchase Agreement, TRS wishes to designate Aggregate Addition Accounts to be included as Accounts and TRS wishes to convey its right, title and interest in the Receivables of such Aggregate Addition Accounts, whether existing at the Addition Cut-Off Date or thereafter created, to RFC VIII pursuant to the Receivables Purchase Agreement; and

WHEREAS, RFC VIII is willing to accept such designation and conveyance subject to the terms and conditions hereof.

NOW, THEREFORE, TRS and RFC VIII hereby agree as follows:

1. Defined Terms. All capitalized terms used herein shall have the meanings ascribed to them in the Receivables Purchase Agreement unless otherwise defined herein.

“Addition Cut-Off Date” shall mean, with respect to the Aggregate Addition Accounts, the close of business on [\_\_\_\_\_].

“Addition Date” shall mean, with respect to the Aggregate Addition Accounts, [\_\_\_\_\_].

“Additional Purchased Assets” shall have the meaning set forth in Subsection 3(a).

“Aggregate Addition Accounts” shall mean the Aggregate Addition Accounts, as defined in the Receivables Purchase Agreement, that are designated hereby and listed on **Schedule 1** hereto.

“Selection Date” shall mean [(i)] for the added accounts with the code designation “[\_\_],” the close of business on the cycle billing date for such added accounts occurring in the period beginning on the close of business on [\_\_\_\_\_] and ending at the close of business on [\_\_\_\_\_] [and (ii) for the added accounts with the code designation “[\_\_],” the close of business on the cycle billing date for such added accounts occurring in the period beginning on the close of business on [\_\_\_\_\_] and ending at the close of business on [\_\_\_\_\_]].

2. Designation of Aggregate Addition Accounts. TRS delivers herewith an Account Schedule containing a true and complete list of the Aggregate Addition Accounts. Such Account Schedule is incorporated into and made part of this Supplemental Conveyance, shall be **Schedule 1** to this Supplemental Conveyance and shall supplement **Schedule 1** to the Receivables Purchase Agreement.

3. Conveyance of Receivables.

TRS does hereby sell, transfer, assign, set over and otherwise convey to RFC VIII, without recourse except as provided in the Receivables Purchase Agreement, all of its right, title and interest, whether now owned or hereafter acquired, in, to and under the Receivables arising in the Aggregate Addition Accounts (including Related Accounts with respect to such Aggregate Addition Accounts), existing at the Addition Cut-Off Date and thereafter created (unless such Aggregate Addition Account has become a Removed Account), all Recoveries allocable to such Receivables, all monies due or to become due and all amounts received or receivable with respect thereto, all Collections with respect thereto, and all proceeds (including “proceeds” as defined in the UCC) thereof (collectively, the “**Additional Purchased Assets**”).

If necessary, TRS shall (i) record and file, at its own expense, any financing statements (and amendments with respect to such financing statements when applicable) with respect to the Additional Purchased Assets meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary to perfect, and maintain perfection of, the sale of the Additional Purchased Assets to RFC VIII, (ii) cause such financing statements and amendments to name TRS, as seller, and RFC VIII, as purchaser, of the Additional Purchased Assets and (iii) to deliver a file-stamped copy of such financing statements or amendments or other evidence of such filings to RFC VIII as soon as is practicable after filing.

It is the intention of the parties hereto that the arrangements with respect to the Additional Purchased

Assets shall constitute a purchase and sale of such Additional Purchased Assets and not a loan. In the event, however, that it were to be determined that the transactions evidenced hereby constitute a loan and not a purchase and sale, it is the intention of the parties hereto that this Supplemental Conveyance shall constitute a security agreement under applicable law, and that TRS shall be deemed to have granted, and TRS does hereby grant, to RFC VIII a first priority perfected security interest in all of TRS's right, title and interest, whether now owned or hereafter acquired, in, to and under the Additional Purchased Assets to secure the obligations of TRS hereunder and under the Receivables Purchase Agreement.

With respect to such security interest and such collateral, each of the Trust and the Indenture Trustee shall have all of the rights that it has under the Transfer Agreement. Each of the Trust and the Indenture Trustee shall also have all of the rights of a secured creditor under the UCC.

The Receivables Purchase Agreement is hereby ratified, and all references to the "**Receivables Purchase Agreement**," to "**this Agreement**" and "**herein**" shall be deemed from and after the Addition Date to be a reference to the Receivables Purchase Agreement as supplemented and amended by this Supplemental Conveyance. Except as expressly amended hereby, all the representations, warranties, terms, covenants and conditions of the Receivables Purchase Agreement shall remain unamended and shall continue to be, and shall remain, in full force and effect in accordance with its terms and, except as expressly provided herein, shall not constitute or be deemed to constitute a waiver of compliance with or consent to non-compliance with any term or provision of the Receivables Purchase Agreement.

7. Counterparts. This Supplemental Conveyance may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument.

8. GOVERNING LAW.
