(t) such Transferor received adequate consideration for each Receivable transferred to the Trust.

Section 2.5. Notice of Breach. The representations and warranties set forth in Section 2.3 and Section 2.4 shall survive the transfers and assignments of the Trust Assets to the Trust, the pledge of the Receivables and the Collateral Certificates to the Indenture Trustee pursuant to the Indenture, and the issuance of the Notes. Upon discovery by any Transferor, the Servicer, the Indenture Trustee or the Owner Trustee of a breach of any of the representations and warranties set forth in Section 2.3 or Section 2.4, the party discovering such breach shall give prompt written notice to the other parties following such discovery.

Section 2.6. Transfer of Ineligible Receivables and Ineligible Collateral Certificates.

(a) Reassignment of Collateral. In the event (i) any representation or warranty contained in subsection 2.4(f), (g), (h), (m), (n), (o), (p), (q) or (r) of this Agreement is not true and correct in any material respect as of the date specified therein with respect to any Receivable, any Collateral Certificate or the related Account and such breach has a material adverse effect on any Noteholders unless cured within 60 days (or such longer period, not in excess of 120 days, as may be agreed to by the Indenture Trustee and the Servicer) after the earlier to occur of the discovery thereof by the Transferor that conveyed such Receivable or Collateral Certificate to the Trust or receipt by such Transferor of written notice thereof given by the Indenture Trustee, the Owner Trustee or the Servicer, or (ii) it is so provided in subsection 2.9(a) with respect to any Receivables conveyed to the Trust by such Transferor, then such Transferor shall accept reassignment of the Ineligible Receivables or the Ineligible Collateral Certificates on the terms and conditions set forth in paragraph (b) below.

(b) Procedures for Removal. When the provisions of subsection 2.6(a) above require (i) the removal of a Receivable, the applicable Transferor shall accept reassignment of
such Receivable (each such Receivable, an “Ineligible Receivable”) by directing the Servicer to deduct the principal balance of each such Ineligible Receivable from the Pool Balance and to decrease the Transferor Amount by the principal balance of such Ineligible Receivable or (ii) the removal of a Collateral Certificate, the Indenture Trustee and the Issuer shall deliver such Collateral Certificate (each such Collateral Certificate, an “Ineligible Collateral Certificate”) to the applicable Transferor with a valid assignment in the name of such Transferor and direct the Servicer to deduct the Invested Amount of each such Ineligible Collateral Certificate from the Pool Balance and to decrease the Transferor Amount by the Invested Amount of each such Ineligible Collateral Certificate. On and after the date of such removal, the principal balance of each Ineligible Receivable and the Invested Amount of each Ineligible Collateral Certificate shall be deducted from the Pool Balance and the Transferor Amount. In the event that the exclusion of an Ineligible Receivable or an Ineligible Collateral Certificate from the calculation of the Transferor Amount and the Pool Balance would cause the Transferor Amount to be reduced below the Required Transferor Amount or the Pool Balance to be reduced below the Required Pool Balance, the Transferor who conveyed such Ineligible Receivable or Ineligible Collateral Certificate shall immediately, but in no event later than 1:00 p.m., New York City time, on the first Payment Date following the Monthly Period in which such reassignment obligation arises, make a deposit in the Excess Funding Account in immediately available funds in an amount equal to the greater of the amount by which (x) the Transferor Amount would be reduced below the Required Transferor Amount or (y) the Pool Balance would be reduced below the Required Pool Balance.

Upon reassignment of any Ineligible Receivable or Ineligible Collateral Certificate, the Indenture Trustee and the Trust shall automatically and without further action transfer, assign, set-over and otherwise convey to the applicable Transferor or its designee, without recourse, representation or warranty, all the right, title and interest of the Indenture Trustee and the Trust in and to such Ineligible Receivable or Ineligible Collateral Certificate, all Recoveries related thereto, all monies and amounts due or to become due and all proceeds thereof and such reassigned Ineligible Receivable or Ineligible Collateral Certificate shall be treated by the Indenture Trustee and the Trust as collected in full as of the date on which it was reassigned. The obligation of each Transferor to accept reassignment of any Ineligible Receivable or Ineligible Collateral Certificate conveyed to the Trust by such Transferor, and to make the deposits, if any, required to be made to the Excess Funding Account as provided in this Section 2.6, shall constitute the sole remedy respecting the event giving rise to such obligation available to the Trust or the Noteholders (or the Indenture Trustee on behalf of the Noteholders). The Trust shall execute such documents and instruments of transfer or assignment and take such other actions as shall reasonably be requested and provided by the applicable Transferor to effect the conveyance of such Ineligible Receivable or Ineligible Collateral Certificate pursuant to this subsection 2.6(b), but only upon receipt of an Officer’s Certificate from such Transferor that states that all conditions set forth in this Section 2.6 have been satisfied.

Section 2.7. Reassignment of Trust Assets. (a) In the event any representation or warranty of a Transferor set forth in subsection 2.3(a) or (c) or subsection 2.4(a), (b), (c), (d), (e) or (i) of this Agreement is not true and correct in any material respect and such breach has a material adverse effect on the Receivables or a particular Collateral Certificate conveyed to the Trust by such Transferor or the availability of the proceeds thereof to the Trust then, either the Owner Trustee, the Indenture Trustee or Noteholders evidencing more than 50% of the aggregate...
unpaid principal amount of all Outstanding Notes, by notice then given to the applicable Transferor, the Administrator and the Servicer (and to the Owner Trustee and the Indenture Trustee, if given by the Noteholders), may direct such Transferor to accept a reassignment of the Receivables and/or any such Collateral Certificate conveyed to the Trust by such Transferor pursuant to this Agreement, if such breach and any material adverse effect caused by such breach is not cured within 60 days of such notice (or within such longer period as may be specified in such notice), and upon those conditions such Transferor shall be obligated to accept such reassignment on the terms set forth below; provided, however, that the affected Receivables and the affected Collateral Certificates will not be reassigned to such Transferor if, on any day during such applicable period the relevant representation and warranty shall be true and correct in all material respects as if made on such day. The applicable Transferor shall deposit the portion of the Reassignment Amount attributable to the applicable Receivables and Collateral Certificates in the Collection Account to be treated (i) in connection with amounts determined under clause (a) of the definition of “Reassignment Amount,” as Principal Collections for each Series of Notes and (ii) in connection with the amounts determined under clause (b) of the definition of “Reassignment Amount,” as Finance Charge Collections for each Series of Notes, in either case, in immediately available funds not later than 1:00 p.m., New York City time, on the First Note Transfer Date following the Monthly Period in which such reassignment obligation arises, in payment for such reassignment.

(b) If the Owner Trustee, the Indenture Trustee or the Noteholders give notice directing the applicable Transferor to accept a reassignment of any Receivables or any Collateral Certificate as provided above, the obligation of such Transferor to accept such reassignment pursuant to this Section 2.7 and to make the deposit required to be made to the Collection Account for each Series of Notes as provided in this Section 2.7 shall constitute the sole remedy respecting an event of the type specified above in this Section 2.7 available to the Noteholders (or the Indenture Trustee on behalf of the Noteholders). Upon reassignment of the affected Receivables and any affected Collateral Certificate on the First Note Transfer Date following the Monthly Period in which such obligation arises, the Indenture Trustee and the Trust shall automatically and without further action transfer, assign, set-over and otherwise convey to the applicable Transferor, without recourse, representation or warranty, all the right, title and interest of the Indenture Trustee and the Trust in and to the affected Receivables and affected Collateral Certificates, all Recoveries allocable thereto, all monies and amounts due or to become due with respect thereto and all proceeds thereof (and any costs or expenses incurred by the Indenture Trustee in connection with such reassignment shall be reimbursed by the applicable Transferor). The Indenture Trustee and the Trust shall execute such documents and instruments of transfer or assignment and take such other actions as shall reasonably be requested by the applicable Transferor to effect the conveyance of such property pursuant to this Section 2.7.

Section 2.8. Additional Transferors. The Transferor may designate Affiliates of the Transferor or of any Account Owner to be included as Transferors (each, an “Additional Transferor”) under this Agreement in an amendment hereto pursuant to subsection 7.1(a) and, in connection with such designation, such Transferor shall (i) if the Transferor Interest is evidenced in uncertificated form, direct the Owner Trustee to register in the books and records of the Trust such Additional Transferor’s interest in the Transferor Interest or (ii) if the Transferor Interest is evidenced in certificated form, surrender such certificate to the Owner Trustee in exchange for a newly issued certificate modified to reflect such Additional Transferor’s interest in the
Transferor Interest; provided, however, that each Additional Transferor shall agree in such amendment hereto to assume all of the duties and obligations of a Transferor hereunder; and provided further that prior to any such designation and exchange, (i) the Owner Trustee shall have received an Issuer Tax Opinion, (ii) the Note Rating Agency Condition shall have been satisfied, (iii) the Master Trust Trustee shall have received the Master Trust Tax Opinion, if applicable, and (iv) any additional conditions to the transfer of a Beneficial Interest provided in Section 3.02 of the Trust Agreement shall have been satisfied.

Section 2.9. Covenants of Each Transferor. Each Transferor hereby severally covenants that:

(a) Receivables Not To Be Evidenced by Promissory Notes. Except in connection with its enforcement or collection of an Account, such Transferor will take no action to cause any Receivable conveyed by it to the Trust to be evidenced by any instrument (as defined in the UCC) and, if any such Receivable is so evidenced as a result of any action taken by such Transferor, it shall be deemed to be an Ineligible Receivable in accordance with subsection 2.7(a) and shall be reassigned to such Transferor in accordance with subsection 2.7(b).

(b) Security Interests. Except for the conveyances hereunder, such Transferor will not sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien (except as permitted by clause (iv) of the definition of the term “Eligible Receivable”) on any Receivable or Collateral Certificate conveyed by it to the Trust whether now existing or hereafter created, or any interest therein; and such Transferor shall defend the right, title and interest of the Trust and the Indenture Trustee in, to and under the Receivables and any Collateral Certificate, whether now existing or hereafter created, against all claims of third parties claiming through or under such Transferor.

(c) Transferor Interest. Except for (i) the conveyances hereunder, in connection with any transaction permitted by Section 3.2 and as provided in Section 2.8 of this Agreement and Section 4.04 of the Trust Agreement or (ii) conveyances with respect to which the Note Rating Agency Condition shall have been satisfied and an Issuer Tax Opinion shall have been delivered to the Indenture Trustee and the Owner Trustee, such Transferor agrees, to the fullest extent permitted by applicable law, not to Transfer (as defined in the Trust Agreement) any interest in the Transferor Interest and any such attempted Transfer shall be void. Nothing contained in this subsection 2.9(c) shall be interpreted to prohibit or in any way limit any Transferor’s ability to grant to another Person a participation interest in the Transferor Interest upon the delivery to the Indenture Trustee and the Owner Trustee of an Issuer Tax Opinion; provided that any transfer by a Transferor of all or any part of its right, title and interest in and to the Transferor Interest to Credco will not require delivery of an Issuer Tax Opinion.

(d) Delivery of Collections or Recoveries. In the event that such Transferor receives Collections or Recoveries, such Transferor agrees to pay the Servicer all such Collections and Recoveries as soon as practicable after receipt thereof.

(e) Notice of Liens. Such Transferor shall notify the Owner Trustee and the Indenture Trustee promptly after becoming aware of any Lien (except as permitted by clause (iv)
of the definition of the term “Eligible Receivable”) on any Receivable or Collateral Certificate conveyed by it to the Trust other than the conveyances hereunder and under the Indenture.

(f) **Account Agreements and Guidelines.** Each Transferor that is an Account Owner covenants that it shall comply with and perform its obligations under the Account Agreements relating to the Accounts and the Account Guidelines and all applicable rules and regulations of such Transferor except insofar as any failure to comply or perform would not materially and adversely affect the rights of the Trust or the Noteholders; provided, however, the applicable Transferor may change the terms and provisions of the applicable Account Agreements or the applicable Account Guidelines in any respect (including the calculation of the amount, or the timing, of charge-offs and other fees to be assessed thereon) only if such change (i) would not, in the reasonable belief of such applicable Transferor, cause an Early Amortization Event or Event of Default to occur, and (ii) is made applicable to any comparable segment of the charge accounts owned by such applicable Transferor which have characteristics the same as, or substantially similar to, the Accounts that are the subject of such change, except as otherwise restricted by an endorsement, sponsorship, or other agreement between such applicable Transferor and an unrelated third party or by the terms of the Account Agreements.

(g) **Separate Corporate Existence.** Each Transferor that is a securitization special purpose entity shall:

(i) Maintain in full effect its existence, rights and franchises as a limited liability company under the laws of the state of its formation or as a corporation under the laws of the state of its incorporation and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Agreement and the applicable Receivables Purchase Agreement and each other instrument or agreement necessary or appropriate to proper administration hereof and to permit and effectuate the transactions contemplated hereby.

(ii) Except as provided in this Agreement, maintain its own deposit, securities and other account or accounts, separate from those of any Affiliate of such Transferor, with financial institutions. The funds of such Transferor will not be diverted to any other Person or for other than the company use of such Transferor, and, except as may be expressly permitted by this Agreement or the applicable Receivables Purchase Agreement, the funds of such Transferor shall not be commingled with those of any other Person.

(iii) Ensure that, to the extent that it shares the same officers or other employees as any of its members or other Affiliates, the salaries of and the expenses related to providing benefits to such officers and other employees shall be fairly allocated among such entities, and each such entity shall bear its fair share of the salary and benefit costs associated with all such common officers and employees.

(iv) Ensure that, to the extent that it jointly contracts with any of its members or other Affiliates to do business with vendors or service providers or to share overhead expenses, the costs incurred in so doing shall be allocated fairly among such entities, and each such entity shall bear its fair share of such costs. To the extent that
such Transferor contracts or does business with vendors or service providers where the goods and services provided are partially for the benefit of any other Person, the costs incurred in so doing shall be fairly allocated to or among such entities for whose benefit the goods and services are provided, and each such entity shall bear its fair share of such costs.

(v) Ensure that all material transactions between such Transferor and any of its Affiliates shall be only on an arm’s-length basis and shall not be on terms more favorable to either party than the terms that would be found in a similar transaction involving unrelated third parties.

(vi) Maintain a principal executive and administrative office through which its business is conducted and a telephone number separate from those of its members and other Affiliates. To the extent that such Transferor and any of its members or other Affiliates have offices in contiguous space, there shall be fair and appropriate allocation of overhead costs (including rent) among them, and each such entity shall bear its fair share of such expenses.

(vii) Conduct its affairs strictly in accordance with its certificate of formation and limited liability company agreement or its certificate of incorporation and bylaws and observe all necessary, appropriate and customary company formalities, including, but not limited to, holding all regular and special members’ and directors’ meetings appropriate to authorize all action, keeping separate and accurate minutes of such meetings, passing all resolutions or consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, but not limited to, intercompany transaction accounts. Regular members’ and directors’ meetings shall be held at least annually.

(viii) Ensure that its board of directors shall at all times include at least one Independent Director (for purposes hereof, “Independent Director” shall mean any member of the board of directors of such Transferor that is not and has not at any time been (x) an officer, agent, advisor, consultant, attorney, accountant, employee, member or shareholder of any Affiliate of such Transferor which is not a special purpose entity, (y) a director of any Affiliate of such Transferor other than an independent director of any Affiliate which is a special purpose entity or (z) a member of the immediate family of any of the foregoing).

(ix) Ensure that decisions with respect to its business and daily operations shall be independently made by such Transferor (although the officer making any particular decision may also be an officer or director of an Affiliate of such Transferor) and shall not be dictated by an Affiliate of such Transferor.

(x) Act solely in its own company name and through its own authorized officers and agents, and no Affiliate of such Transferor shall be appointed to act as agent of such Transferor. Such Transferor shall at all times use its own stationery and business forms and describe itself as a separate legal entity.
(xi) Other than as provided in the relevant Revolving Credit Agreement, ensure that no Affiliate of such Transferor shall advance funds or loan money to such Transferor, and no Affiliate of such Transferor will otherwise guaranty debts of such Transferor.

(xii) Other than organizational expenses and as expressly provided herein, pay all expenses, indebtedness and other obligations incurred by it using its own funds.

(xiii) Not enter into any guaranty, or otherwise become liable, with respect to or hold its assets or creditworthiness out as being available for the payment of any obligation of any Affiliate of such Transferor nor shall such Transferor make any loans to any Person.

(xiv) Ensure that any financial reports required of such Transferor shall comply with generally accepted accounting principles and shall be issued separately from, but may be consolidated with, any reports prepared for any of its Affiliates so long as such consolidated reports contain footnotes describing the effect of the transactions between such Transferor and such Affiliate and also state that the assets of such Transferor are not available to pay creditors of the Affiliate.

(xv) Ensure that at all times it is adequately capitalized to engage in the transactions contemplated in its certificate of formation and its limited liability company agreement or in its certificate of incorporation and bylaws.

(h) **Compliance with the FDIC Rule.** Such Transferor shall (i) perform the obligations of the FDIC Rule applicable to it and (ii) facilitate compliance with the FDIC Rule by each Account Owner and the Trust.

Section 2.10. **Covenants of Each Transferor With Respect to Any Applicable Receivables Purchase Agreement.** Each Transferor, if such Transferor is a party to a Receivables Purchase Agreement, in its capacity as purchaser of Receivables from any Account Owner pursuant to any such Receivables Purchase Agreement, hereby covenants that such Transferor will at all times enforce the covenants and agreements of any Account Owner in such Receivables Purchase Agreement, including covenants that the Account Owner shall at all times enforce the covenants and agreements of it, as the case may be, in any Receivables Purchase Agreement. Each Transferor further covenants that it will not enter into any amendment to any Receivables Purchase Agreement to which it is a party, or enter into a new Receivables Purchase Agreement unless the Note Rating Agency Condition shall have been satisfied; provided, however, that such Transferor may enter into an amendment to a Receivables Purchase Agreement to which it is a party without the Note Rating Agency Condition having been satisfied if the “Note Rating Agency Condition” (as defined in such Receivables Purchase Agreement) need not be satisfied in connection with such amendment pursuant to the terms of such Receivables Purchase Agreement.

Section 2.11. **Reinvestment in Trust Assets.** (a) On each First Note Transfer Date, the Reinvestment Amount for the immediately preceding Monthly Period shall be applied in the following order of priority:
(i) if the Trust Assets include one or more Collateral Certificates, the Transferor, on behalf of the Issuer, shall specify the amount of the Reinvestment Amount to be reinvested in each existing Collateral Certificate, which amount shall be determined by the Transferor, on behalf of the Issuer, in its own discretion, and no such reinvestment shall be required; provided, however, that, subject to the restrictions specified in subsection 2.12(c), the Transferor, on behalf of the Issuer, shall be required to increase the Invested Amount of an existing Collateral Certificate if Trust Assets are required to be added pursuant to subsection 2.13(a) and the Transferor elects to cause to be increased the Invested Amount of one or more existing Collateral Certificates as specified in such Section (so long as the applicable Series Supplement allows such reinvestment and the transferor or seller for the related Master Trust agrees to such reinvestment); and

(ii) the remainder of such amounts shall be paid to the holders of the Transferor Interest; provided, however, that if (A) the Transferor Amount is, or as a result of such payment would become, less than the Required Transferor Amount or (B) the Pool Balance is, or as a result of such payment would become, less than the Required Pool Balance (after taking into consideration the application of the Reinvestment Amount, if any, pursuant to this Section 2.11), the lesser of (1) such remaining amount and (2) the greater of the amount by which (x) the Required Transferor Amount is greater than the Transferor Amount or (y) the Required Pool Balance is greater than the Pool Balance, shall be deposited by the Servicer into the Excess Funding Account.

(b) Pursuant to this Agreement, each Receivable shall be transferred to the Trust and pledged to secure the Notes on the day that such Receivable arises.

Section 2.12. Increases in the Invested Amount of an Existing Collateral Certificate.

(a) In addition to the increases described in Section 2.11 above, the applicable Transferor may cause to be increased the Invested Amount of any existing Collateral Certificate on any Business Day in connection with:

(i) the issuance of an additional Series, Class or Tranche of Notes; or

(ii) the increase of the Transferor Amount.

(b) In connection with any increase in the Invested Amount of an existing Collateral Certificate, such increase shall either be funded from the proceeds of the issuance of an additional Series, Class or Tranche of Notes or be funded by the applicable Transferor.

(c) Notwithstanding any other provision of this Agreement, with respect to any Monthly Period, the Invested Amount of an existing Collateral Certificate shall not be increased, including increases pursuant to Section 2.11 and this Section 2.12, if (i) an Early Amortization Event shall have occurred with respect to any Notes as a result of a failure to add Receivables and/or Collateral Certificates to the Trust or a failure to increase the Invested Amount of an existing Collateral Certificate at a time when the Pool Balance for the prior Monthly Period is less than the Required Pool Balance for such prior Monthly Period and (ii) increasing the Invested Amount of or reinvesting in an existing Collateral Certificate would
result in a reduction in the allocation percentage applicable for principal collections for such existing Collateral Certificate.

Section 2.13. Addition of Trust Assets.

(a) Required Additions.

(i) If, at the end of any Monthly Period, (a) the Transferor Amount for such Monthly Period is less than the Required Transferor Amount for such Monthly Period, (b) the Pool Balance for such Monthly Period is less than the Required Pool Balance for such Monthly Period or (c) the Seller’s Interest Amount for such Monthly Period is less than the Required Sellers’ Amount, the Transferor shall (1) transfer Receivables in Aggregate Addition Accounts to the Trust, (2) transfer one or more Collateral Certificates to the Trust or (3) cause to be increased the Invested Amount of one or more existing Collateral Certificates pursuant to Section 2.11 or Section 2.12 in a sufficient amount such that, after giving effect to such addition or increase, the Transferor Amount for such Monthly Period is at least equal to the Required Transferor Amount for such Monthly Period, the Pool Balance is at least equal to the Required Pool Balance for such Monthly Period and the Seller’s Interest Amount is at least equal to the Required Seller’s Interest Amount for such Monthly Period.

Any transfer of Receivables in any Aggregate Addition Accounts to the Trust and/or any transfer of Collateral Certificates to the Trust and/or any increase in the Invested Amount of one or more existing Collateral Certificates shall occur on or before the thirtieth calendar day following the end of such Monthly Period. The failure of the Transferor to increase the Transferor Amount or the Pool Balance as provided in this clause (i) solely as a result of the unavailability to the Transferor of a sufficient amount of Receivables and/or Collateral Certificates and/or the inability to cause to be increased the Invested Amount of one or more existing Collateral Certificates shall not constitute a breach of this Agreement; provided that any such failure which has not been timely cured (as specified in the related Indenture Supplement) may nevertheless result in the occurrence of an Early Amortization Event with respect to each Series for which, pursuant to the Indenture Supplement therefor, a failure by the Transferor to convey additional Trust Assets to the Trust or cause to be increased the Invested Amount of an existing Collateral Certificate by the day on which it is required to do so pursuant to this subsection 2.13(a) constitutes an “Early Amortization Event” (as defined in such Indenture Supplement).

(ii) Any Aggregate Addition Accounts or Collateral Certificates designated to be included as part of the Trust Assets pursuant to clause (i) above may only be so included if the applicable conditions specified in subsection (c) below have been satisfied.

(b) Permitted Aggregate Additions, Additional Collateral Certificates and Increases in the Invested Amount of Existing Collateral Certificates. In addition to its obligation under subsection 2.13(a), each Transferor may, but shall not be obligated to, subject to the conditions in paragraph (c) below, (i) cause to be designated from time to time Receivables in Aggregate Addition Accounts to be included as part of the Trust Assets and/or additional
Collateral Certificates to be included as part of the Trust Assets and (ii) cause to be increased the Invested Amount of an existing Collateral Certificate. Such additional Trust Assets shall be transferred to the Trust on the Addition Date or the Increase Date, as applicable.

(c) Conditions to Aggregate Additions and Additional Collateral Certificates. On each Addition Date with respect to any Aggregate Addition Accounts and/or additional Collateral Certificates, the applicable Receivables in Aggregate Addition Accounts (and such Aggregate Addition Accounts shall be Accounts for purposes of this Agreement) or the applicable Collateral Certificate shall be designated as additional Trust Assets, subject to the satisfaction of the following conditions (which shall not apply with respect to any increase in the Invested Amount of any existing Collateral Certificate except as specified in clause (i) below):

(i) on or before the eighth Business Day prior to the Addition Date or Increase Date, as applicable (the “Notice Date”), the applicable Transferor shall have delivered to the Owner Trustee, the Indenture Trustee, the Servicer, the other Transferors, if any, and each Note Rating Agency written notice (unless such notice requirement is otherwise waived) that the Receivables in Aggregate Addition Accounts and/or additional Collateral Certificates will be transferred to the Trust or an increased Invested Amount of an existing Collateral Certificate will be included as part of the Trust Assets (the latter notice requirement shall only apply to increases made pursuant to subsection 2.13(a); provided, however, that notice shall be delivered to the Owner Trustee and the Indenture Trustee in connection with any increase in the Invested Amount of an existing Collateral Certificate), which notice shall specify, as applicable, (x) the approximate aggregate amount of the Principal Receivables to be transferred to the Trust (y) the Invested Amount of the additional Collateral Certificates to be transferred to the Trust and (z) the amount by which the Invested Amount of an existing Collateral Certificate is to be increased, as well as the applicable Addition Date or Increase Date and, in connection with the Aggregate Addition Accounts, the applicable Addition Cut Off Date and Selection Date;

(ii) the applicable Transferor shall represent and warrant that, as of the applicable Selection Date, each Aggregate Addition Account is an Eligible Account;

(iii) the applicable Transferor shall represent and warrant as of the applicable Addition Date, each additional Collateral Certificate is an Eligible Collateral Certificate;

(iv) the applicable Transferor shall have delivered to the Owner Trustee and the Indenture Trustee copies of UCC financing statements covering the Receivables in such Aggregate Addition Accounts and/or additional Collateral Certificates, if necessary to perfect the interest of the Trust therein;

(v) the applicable Transferor shall have deposited, or shall have caused the Servicer to deposit, into the Segregation Account all Collections with respect to such (a) Aggregate Addition Accounts since the applicable Addition Cut Off Date or (b) additional Collateral Certificates as of such Addition Date;
(vi) as of each of the Addition Cut Off Date and the Addition Date, no Insolvency Event shall have occurred nor shall the transfer to the Trust of the Receivables arising in the Aggregate Addition Accounts have been made in contemplation of the occurrence thereof;

(vii) as of the Addition Date, no Insolvency Event shall have occurred nor shall the transfer to the Trust of the additional Collateral Certificates have been made in contemplation of the occurrence thereof;

(viii) on or before the Addition Date with respect to Aggregate Addition Accounts and the Receivables arising thereunder, the applicable Transferor shall have delivered to the Owner Trustee, on behalf of the Trust, and the Servicer a written assignment in substantially the form of Exhibit A (the “Aggregate Addition Account Assignment”), and the applicable Transferor shall deliver or cause to be delivered to the Issuer and the Indenture Trustee the computer file or microfiche list required to be delivered pursuant to Section 2.1 on the date such file or list is required to be delivered pursuant thereto, which file or list shall be incorporated into and made a part of such Aggregate Addition Account Assignment and this Agreement;

(ix) on or before the Addition Date with respect to Collateral Certificates, the applicable Transferor shall have delivered to the Owner Trustee, on behalf of the Trust, and the Servicer a written assignment in substantially the form of Exhibit B (the “Certificate Assignment”) and each Collateral Certificate shall be delivered and registered in the name of the Trust, and the applicable Transferor shall deliver or cause to be delivered to the Issuer and the Indenture Trustee the schedule required to be delivered pursuant to Section 2.1 on the date such file or list is required to be delivered pursuant thereto, which file or list shall be incorporated into and made a part of such Certificate Assignment and this Agreement;

(x) the addition to the Trust of the Receivables arising in the Aggregate Addition Accounts or of the Collateral Certificates shall not, in the reasonable belief of the applicable Transferor, result in an Adverse Effect;

(xi) if prior to the applicable Addition Date, with respect to any three consecutive Monthly Periods or with respect to any twelve consecutive Monthly Periods, the Addition Limit shall have been exceeded, the Note Rating Agency Condition shall have been satisfied with respect to the addition pursuant to subsection 2.13(b) of such Aggregate Addition Accounts in excess of the Addition Limit, and the Transferor shall have delivered to each Note Rating Agency an Opinion of Counsel, dated the Addition Date, in accordance with subsection 7.2(d);

(xii) with respect to the addition of additional Collateral Certificates, the Note Rating Agency Condition shall have been satisfied with respect to such addition, and the Transferor shall have delivered any related notice received from the Note Rating Agencies to the Owner Trustee and the Indenture Trustee;

(xiii) the Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate of the Transferor, dated the Addition Date,
confirming, to the extent applicable, the items set forth in clauses (ii) through (vii) and clause (x) above; and

(xiv) the Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Opinion of Counsel, dated the Addition Date, in accordance with subsection 7.2(d).

(d) New Accounts. Each Transferor may, from time to time, at its sole discretion, subject to the conditions specified in paragraph (e) below, voluntarily designate newly originated Eligible Accounts to be included as New Accounts. For purposes of this paragraph, Eligible Accounts shall be deemed to include only charge accounts of the same nature as those included as Initial Accounts or which have previously been included in any Aggregate Addition.

(e) Conditions to Addition of New Accounts. On the Addition Date with respect to any New Accounts, the Trust shall acquire the applicable Receivables in such New Accounts (and such New Accounts shall be Accounts for purposes of this Agreement), subject to the satisfaction of the following conditions:

(i) as of the applicable Selection Date, each New Account shall be an Eligible Account;

(ii) the applicable Transferor shall have delivered to the Owner Trustee and the Indenture Trustee copies of UCC financing statements covering the Receivables in such New Accounts, if necessary to perfect the interest of the Trust therein;

(iii) the applicable Transferor shall have deposited, or shall have caused the Servicer to deposit, into the Segregation Account all Collections with respect to such New Accounts since the applicable Addition Cut Off Date;

(iv) as of each of the applicable Addition Cut Off Date and the applicable Addition Date, no Insolvency Event shall have occurred nor shall the transfer to the Trust of the Receivables arising in the New Accounts have been made in contemplation of the occurrence thereof;

(v) the addition to the Trust of the Receivables arising in the New Accounts shall not, in the reasonable belief of the applicable Transferor, result in an Adverse Effect;

(vi) on or before the Addition Date with respect to New Accounts and the Receivables arising thereunder, the applicable Transferor shall have delivered to the Owner Trustee, on behalf of the Trust, and the Servicer a written assignment in substantially the form of Exhibit C (the “New Account Assignment”), and the applicable Transferor shall deliver to the Issuer and the Indenture Trustee the computer file or microfiche list required to be delivered pursuant to Section 2.1 on the date such file or list is required to be delivered pursuant thereto, which file or list shall be incorporated into and made a part of such New Account Assignment and this Agreement;
(vii) if on or prior to the applicable Addition Date, with respect to any three-month period or with respect to any twelve-month period, the Addition Limit shall have been exceeded, the Note Rating Agency Condition shall have been satisfied with respect to the addition pursuant to subsection 2.13(d) of such New Accounts in excess of the Addition Limit, and the Transferor shall have delivered any related notice received from the Note Rating Agencies to the Owner Trustee and the Indenture Trustee;

(viii) the applicable Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate of such Transferor, dated the applicable Addition Date, confirming, to the extent applicable, the items set forth in clauses (i) through (v) above; and

(ix) the applicable Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Opinion of Counsel in accordance with subsection 7.2(d).

(a) On any day of any Monthly Period, each Transferor shall have the right to require the reassignment to it or its designee of all of the right, title and interest of the Indenture Trustee and the Trust in, to and under the Receivables then existing and thereafter created, all Recoveries related thereto, all monies due or to become due and all amounts received with respect thereto and all proceeds thereof in or with respect to the Accounts specified herein (the “Removed Accounts”) and designated for removal by such Transferor, upon satisfaction of the conditions in clauses (i) through (v) below:

(i) on or before the tenth Business Day (the “Removal Notice Date”) immediately preceding the date for removal of the Removed Accounts (the “Removal Date”), such Transferor shall have given the Owner Trustee, the Indenture Trustee, the Servicer, the other Transferors, if any, and each Note Rating Agency notice (unless such notice requirement is waived) that the Receivables from such Removed Accounts are to be reassigned to such Transferor on the Removal Date;

(ii) such Transferor shall amend Schedule 1 by delivering to the Issuer and the Indenture Trustee the computer file or microfiche list required to be delivered pursuant to Section 2.01(d) with respect to the Removed Accounts on the date such file or list is required to be delivered pursuant thereto;

(iii) such Transferor shall have represented and warranted as of the Removal Date that the list of Removed Accounts delivered pursuant to paragraph (ii) above, as of the Removal Date, is true and complete in all material respects;

(iv) the Note Rating Agency Condition shall have been satisfied with respect to the removal of the Removed Accounts; and

(v) such Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate of such Transferor, dated the Removal Date, to the effect that such Transferor reasonably believes that (a) such removal of any
Receivable of any Removed Account will not result in an Adverse Effect with respect to any Series, Class or Tranche of Notes and (b) no selection procedures believed by such Transferor to be materially adverse to, or materially beneficial to, the interests of any Noteholders have been used in selecting the Removed Accounts from among any pool of Accounts of a similar type.

(b) In addition to the terms and conditions contained in clauses (a)(i)-(v) above, the Transferor’s right to require the reassignment to it or its designees of all the Trust’s right, title and interest of the Indenture Trustee and the Trust in, to and under the Receivables in Removed Accounts shall be subject to the following restrictions:

(i) Except for Removed Accounts described in clause (ii) below:

(A) there shall be no less than 90 days between Removal Dates;

(B) the Accounts to be designated as Removed Accounts shall be selected at random by the applicable Transferor; and

(C) the book value of the Receivables in the Accounts to be designated as Removed Accounts shall not exceed 10% of book value of the Receivables in the Trust as of the related Removal Date.

(ii) The Transferor may designate Removed Accounts as provided in and subject to the terms and conditions contained in this Section 2.14 without being subject to the conditions set forth in clauses (a)(iv) or (a)(v)(b) above if the Removed Accounts are Accounts (i) originated or acquired under a specific affinity agreement, private label agreement, merchant agreement, co-branding agreement or other program which is co-owned, operated or promoted, provided that such agreement has terminated in accordance with the terms therein or (ii) being removed due to other circumstances caused by requirements of agreements in which the right to such Removed Accounts or control thereof is determined by a party or parties to such agreements other than the Transferor, any Affiliate of the Transferor or any agent of the Transferor.

(c) Upon satisfaction of the above conditions, the Owner Trustee, on behalf of the Trust, shall execute and deliver to such Transferor a written reassignment in substantially the form of Exhibit D (the “Reassignment”) and shall, without further action, sell, transfer, assign, set over and otherwise convey to such Transferor or its designee, effective as of the Removal Date, without recourse, representation or warranty, all the right, title and interest of the Indenture Trustee and the Trust in, to and under the Receivables arising in the Removed Accounts, all Recoveries related thereto, all monies due and to become due and all amounts received with respect thereto and all proceeds thereof, and the Receivables from the Removed Accounts shall no longer constitute a part of the Trust Assets. The Indenture Trustee and the Owner Trustee may conclusively rely on the Officer’s Certificate delivered pursuant to this Section 2.14 and shall have no duty to make inquiries with regard to the matters set forth therein and shall incur no liability in so relying.
(d) In addition to the foregoing, on the date when any Receivable in an Account becomes a Defaulted Receivable (including any related Finance Charge Receivables), the Indenture Trustee and the Trust shall automatically and without further action or consideration transfer, set over and otherwise convey to the applicable Transferor, without recourse, representation or warranty, all right, title and interest of the Indenture Trustee and the Trust in, to and under the Defaulted Receivables (including any related Finance Charge Receivables) in such Account, all monies due or to become due, all amounts received or receivable with respect thereto and all proceeds thereof; provided that Recoveries of such Defaulted Receivables shall be applied as provided in the Servicing Agreement. The Indenture Trustee and the Owner Trustee, on behalf of the Trust, shall execute and deliver such instruments of transfer and assignment (including any UCC termination statements), in each case without recourse, as shall be reasonably requested by the applicable Transferor to vest in such Transferor or its designee all right, title and interest that the Indenture Trustee and the Trust had in such Defaulted Receivables (including any related Finance Charge Receivables).

Section 2.15. Account Allocations. In the event that any Transferor is unable for any reason to transfer Receivables to the Trust in accordance with the provisions of this Agreement, including by reason of the application of the provisions of Section 4.1 or any order of any Governmental Authority (a “Transfer Restriction Event”), then, in any such event, (a) such Transferor agrees (except as prohibited by any such order) to allocate and pay to the Trust, after the date of such inability, all Collections, including Collections of Receivables transferred to the Trust prior to the occurrence of such event, and all amounts which would have constituted Collections with respect to Receivables but for such Transferor’s inability to transfer Receivables (up to an aggregate amount equal to the amount of Receivables included as part of the Trust Assets on such date transferred to the Trust by such Transferor), (b) such Transferor and the Servicer agree that such amounts will be applied as Collections in accordance with the terms of the Servicing Agreement, the Indenture and each Indenture Supplement and (c) for so long as the allocation and application of all Collections and all amounts that would have constituted Collections are made in accordance with clauses (a) and (b) above, Receivables (and all amounts which would have constituted Receivables but for such Transferor’s inability to transfer Receivables to the Trust) which are written off as uncollectible in accordance with the Servicing Agreement shall continue to be allocated in accordance with the terms of this Agreement, the Servicing Agreement, the Indenture and each Indenture Supplement. For the purpose of the immediately preceding sentence, such Transferor and the Servicer shall treat the first received Collections with respect to the Accounts as allocable to the Trust until the Trust shall have been allocated and paid Collections in an amount equal to the aggregate amount of Receivables included in the Trust as of the date of the occurrence of such event. If such Transferor and the Servicer are unable pursuant to any Requirements of Law to allocate Collections as described above, such Transferor and the Servicer agree that, after the occurrence of such event, payments on each Account with respect to the principal balance of such Account shall be allocated first to the oldest principal balance of such Account and shall have such payments applied as Collections in accordance with the terms of this Agreement, the Servicing Agreement, the Indenture and each Indenture Supplement.

Section 2.16. Discount Option Receivables.

(a) The Transferor shall have the option to designate at any time and from time to time a percentage or percentages, which may be a fixed percentage or a variable
percentage based on a formula (the “Discount Option Percentage”), of all or any specified portion of Receivables conveyed on or after the Discount Option Date (“Discount Option Receivables”) to be treated as Finance Charge Receivables. The aggregate amount of Discount Option Receivables outstanding on any Date of Processing occurring on or after the initial Discount Option Date shall equal (a) the aggregate Discount Option Receivables at the end of the prior Date of Processing, plus (b) any new Discount Option Receivables created on such Date of Processing, minus (c) any Discount Option Receivables Collections received on such Date of Processing. Discount Option Receivables created on any Date of Processing shall mean the product of the amount of any Receivables created on such Date of Processing and the applicable Discount Option Percentage. The Transferor shall also have the option of increasing, reducing or withdrawing the Discount Option Percentage, at any time and from time to time, without notice to or the consent of any Noteholder, on or after such Discount Option Date. The Transferor shall provide to the Servicer, the Owner Trustee, the Indenture Trustee and any Note Rating Agency 30 days prior written notice of the Discount Option Date and any such designation or increase, reduction or withdrawal. Such designation, increase, reduction or withdrawal shall become effective on the Discount Option Date specified therefor upon satisfaction of the following conditions:

(i) each Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate of such Transferor certifying that, in the reasonable belief of such Transferor based on facts known to such Transferor at such time, such designation, increase, reduction or withdrawal will not, at the time of its occurrence, cause an Early Amortization Event or Event of Default with respect to any Series, Class or Tranche of Notes to occur or an event which, with notice or lapse of time or both, would constitute an Early Amortization Event or Event of Default with respect to any Series, Class or Tranche of Notes;

(ii) the Note Rating Agency Condition shall have been satisfied with respect to such designation, increase, reduction or withdrawal; and

(iii) the Transferor shall have caused an Issuer Tax Opinion to be delivered to the Owner Trustee and the Indenture Trustee.

(b) Following a change in the Discount Option Percentage, the Transferor shall apply the new Discount Option Percentage to all or the portion of the Receivables to which the Discount Option Percentage is to be applied. The initial Discount Option Percentage is 3%.

(c) After the Discount Option Date, Discount Option Receivables Collections received with respect to Discount Option Receivables shall be treated as Finance Charge Collections.

Section 2.17. Asset Representations Review.

(a) Pursuant to the Asset Representations Review Agreement, the Transferor has appointed Clayton Fixed Income Services LLC, a limited liability company organized under the laws of Delaware, as the Asset Representations Reviewer to perform the obligations of the Asset Representations Reviewer as set forth therein and herein. The Transferor hereby confirms the engagement of the Asset Representations Reviewer with respect to all Series outstanding as
of July 29, 2016. The Transferor hereby represents and warrants that the Asset Representations Reviewer (i) is not an Affiliate of the Transferor, any Account Owner, or the Servicer and (ii) has not been hired by any Account Owner to perform pre-closing due diligence work relating to the Receivables. The Indenture Trustee hereby represents and warrants that the Asset Representations Reviewer is not an Affiliate of the Indenture Trustee.

(b) Upon the occurrence of a 60-Day Delinquency Event with respect to any Monthly Period, the Transferor shall include disclosure of such 60-Day Delinquency Event in the Distribution Report on Form 10-D filed with the Commission relating to such Monthly Period. Within 90 days following the date of such disclosure, the Holders of Notes shall be entitled to direct the Indenture Trustee to initiate a vote on whether to direct an Asset Representations Review. The Indenture Trustee may require any Noteholder providing such direction to provide verification that it is in fact a Holder of a beneficial interest in the Notes in the form of (x) a written certification from such Noteholder that it is a Holder of a beneficial interest in a Note, and (y) one other form of documentation such as a trade confirmation, an account statement, a letter from the broker or dealer, or other similar document; provided, however, that if the requesting Noteholder is a Noteholder of record on the related Record Date, no such verification of ownership shall be required.

(c) If, prior to the end of such 90-day period, Holders of Notes evidencing not less than 5% of the aggregate unpaid principal amount of all Notes (excluding Notes held by any Account Owner, the Transferor, the Servicer or any of their Affiliates) shall have directed the Indenture Trustee in writing to initiate a vote on whether to direct an Asset Representations Review, (i) the Indenture Trustee shall promptly provide notice of such 5% threshold being reached to all Noteholders, the Transferor and the Servicer, (ii) within 10 Business Days of such 5% threshold being reached, the Indenture Trustee shall commence a solicitation of votes of all Noteholders on whether to direct an Asset Representations Review and (iii) the Transferor shall include disclosure of such solicitation of votes in the Distribution Report on Form 10-D filed with the Commission relating to the Monthly Period during which such 5% threshold was reached. With respect to any Notes that are Registered Notes, such solicitation of votes shall be conducted through the Depository.

(d) The vote on whether to direct an Asset Representations Review will be completed within 90 days of the delivery by the Indenture Trustee of notice to Noteholders that the solicitation of votes has commenced. If, at the end of such 90-day voting period, Holders of Notes evidencing more than 50% of the aggregate unpaid principal amount of all Notes participating in such vote (excluding Notes held by any Account Owner, the Transferor, the Servicer or any of their Affiliates) elect to direct an Asset Representations Review, the Indenture Trustee shall promptly provide notice of such occurrence to the Transferor, the Servicer and the Account Owners, and the Servicer shall provide notice to the Asset Representations Reviewer that an Asset Representations Review has been demanded (such notice, a “Review Notice”). The Transferor shall disclose the results of such vote in the Distribution Report on Form 10-D filed with the Commission relating to the Monthly Period during which the voting period ended.

(e) Upon the completion of an Asset Representations Review and the delivery by the Asset Representations Reviewer of its report on the findings and conclusions of the Asset Representations Review in accordance with the provisions of the Asset Representations Review Agreement, the Transferor shall include a summary of such report in the Distribution Report on
Form 10-D filed with the Commission relating to the Monthly Period during which such report is delivered.

(f) The Transferor shall review, and shall be entitled to adjust, the Delinquency Threshold upon the occurrence of either of the following events:

(i) the filing of a registration statement with the Commission relating to any Notes to be offered and sold from time to time thereunder; and

(ii) a change in law or regulation (including any new or revised interpretation of an existing law or regulation) that, in the judgment of the Transferor, could reasonably be expected to have a material effect on the delinquency rate for payments by Obligors on the Accounts or the manner by which delinquencies are defined or determined;

provided, however, that, once a 60-Day Delinquency Event has occurred and is continuing, a review of the Delinquency Threshold that would otherwise be undertaken as described above shall be delayed until the date on which the Transferor first reports in the Distribution Report on Form 10-D filed with the Commission that the 60-Day Delinquency Percentage for the related Monthly Period no longer exceeds the Delinquency Threshold. With respect to a review undertaken upon the occurrence of an event described in clause (i) above, the Transferor may increase or decrease the Delinquency Threshold by any amount the Transferor reasonably determines to be appropriate based on the composition of the Receivables at the time of the review. With respect to a review undertaken upon the occurrence of an event described in clause (ii) above, the Transferor may increase or decrease the Delinquency Threshold by any amount the Transferor reasonably determines to be appropriate as a result of the related change in law or regulation. The Transferor shall disclose any adjustment to the Delinquency Threshold in the Distribution Report on Form 10-D filed with the Commission relating to the Monthly Period in which the adjustment occurs.

Section 2.18. Resolution of Repurchase Disputes.

(a) If the Indenture Trustee or any Noteholder (the “Requesting Party”) requests that (i) the Transferor accept reassignment of any Receivable pursuant to the terms of this Agreement due to an alleged breach of a representation or warranty herein or (ii) an Account Owner or TRS accepts reassignment of any Receivable pursuant to the terms of the applicable Receivables Purchase Agreement due to an alleged breach of a representation or warranty therein (such Transferor, Account Owner or TRS, as applicable, the “Representing Party”), and the repurchase request has not been fulfilled or otherwise resolved within 180 days of the receipt of notice of such repurchase request by the Representing Party, then the Requesting Party shall have the right to refer the matter, at its discretion, to either mediation or third-party non-binding arbitration or to binding third-party arbitration, and the Representing Party shall agree to the selected resolution method.

(b) At the conclusion of the 180-day period described in clause (a) above, the Representing Party shall provide notice informing the Requesting Party of the status of its request. However, in the absence of any such notice, the Requesting Party is permitted to presume that its request remains unresolved.
(c) In order to exercise its right under clause (a) above, the Requesting Party must provide the Representing Party written notice of its intention to refer an unresolved repurchase request to mediation or arbitration within 30 days of the conclusion of the 180-day period described in clause (a) above. If the Requesting Party is a Noteholder, the Representing Party shall have the right to request from such Requesting Party verification that such Requesting Party is in fact a Holder of a beneficial interest in the Notes in the form of (x) a written certification from such Noteholder that it is a Holder of a beneficial interest in a Note, and (y) one other form of documentation such as a trade confirmation, an account statement, a letter from the broker or dealer, or other similar document; provided, however, that if the requesting Noteholder is a Noteholder of record on the related Record Date, no such verification of ownership shall be required.

(d) If the Requesting Party selects mediation as the resolution method, the mediation shall be administered by a nationally recognized mediation association mutually agreed upon by the Representing Party and the Requesting Party and shall be conducted in accordance with such association’s mediation procedures in effect at such time. The fees and expenses of the mediation shall be allocated as mutually agreed upon by the Representing Party and the Requesting Party as part of the mediation. The mediator(s) shall be impartial and knowledgeable about and experienced with the laws of the State of New York that are relevant to the repurchase dispute and shall be appointed from a list of neutrals maintained by the American Arbitration Association (the “AAA”).

(e) If the Requesting Party selects third-party arbitration as the resolution method, the third-party arbitration shall be administered by a nationally recognized arbitration association mutually agreed upon by the Representing Party and the Requesting Party and shall be conducted in accordance with such association’s arbitration procedures in effect at such time. The arbitrator(s) shall be impartial and knowledgeable about and experienced with the laws of the State of New York that are relevant to the repurchase dispute and shall be appointed from a list of neutrals maintained by AAA. The arbitrator(s) shall allocate the costs and expenses of the third-party arbitration.

(f) A failure by the Requesting Party and the Representing Party to resolve a disputed matter through mediation or non-binding arbitration shall not preclude either party from seeking a resolution through other options available to it, including the initiation of judicial proceeding in a court of competent jurisdiction, subject to the provisions specified below as applicable to both mediations and arbitrations. By selecting binding arbitration, the Requesting Party shall give up the right to sue in court, including the right to a trial by jury. No person may bring a putative or certified class action to arbitration.

(g) The following provisions shall apply to both mediations and third-party arbitrations:

(i) Any mediation or arbitration shall be held in New York, New York or such other location mutually agreed to by the Requesting Party and the Representing Party.

(ii) Notwithstanding this dispute resolution provision, the parties shall have the right to seek provisional or ancillary relief from a competent court of
law, including a temporary restraining order, preliminary injunction or attachment order, provided such relief would otherwise be available by law.

(iii) The details and/or existence of any unfulfilled repurchase request, any informal meetings, mediations or arbitration proceedings conducted under this Section 2.18, including all offers, promises, conduct and statements, whether oral or written, made in the course of the parties' attempt to informally resolve an unfulfilled repurchase request, and any discovery taken in connection with any arbitration, shall be confidential, privileged and inadmissible for any purpose, including impeachment, in any mediation, arbitration or litigation, or other proceeding; provided, however, that any discovery taken in any arbitration shall be admissible in that particular arbitration. Such information shall be kept strictly confidential and shall not be disclosed or discussed with any third party (excluding a party's attorneys, experts, accountants and other agents and representatives, as reasonably required in connection with the related resolution procedure and who are bound by substantially equivalent confidentiality obligations). Information shall not be subject to the foregoing obligation of confidentiality (a) to the extent that such information is or becomes publicly available through no wrongful act of the party making the disclosure and (b) to the extent a party is required to disclose such information under applicable law, regulatory requirement or court order; provided that such party where reasonably practicable and to the extent legally permissible, provides the other party to the resolution procedure with prompt prior notice of the required disclosure so that such other party may object to the production of its confidential information or seek a protective order or other appropriate remedy.

(h) A Requesting Party may not initiate a mediation or arbitration as described above with respect to a receivable that is, or has been, the subject of an ongoing or previous mediation or arbitration (whether by that Requesting Party or another Requesting Party) but shall have the right to join an existing mediation or arbitration with respect to that receivable if the mediation or arbitration has not yet concluded.

Section 2.19. Credit Risk Retention. For compliance with Regulation RR, the Transferor shall maintain a seller’s interest in the Trust in an amount at least equal to the Required Seller’s Interest Amount through its ownership of the Transferor Interest.

On or after the date compliance with respect to Regulation RR is required, to assist the Transferor’s compliance with the provisions of Regulation RR, the Servicer shall, on the Closing Date of any Securitization Transaction and on each Note Transfer Date thereafter, calculate the Required Seller’s Interest Amount, the Seller’s Interest Amount and such other information as required under Regulation RR as of the last day of the immediately preceding Monthly Period (or such other date as is permitted under Regulation RR). The Transferor shall include the Required Seller’s Interest Amount, the Seller’s Interest Amount and such other information as is required under Regulation RR so calculated in the Distribution Report on Form 10-D filed with the Commission relating to such Monthly Period.
ARTICLE III

OTHER MATTERS RELATING TO EACH TRANSFEROR

Section 3.1. Liability of Each Transferor. Each Transferor shall be severally, and not jointly, liable for all obligations, covenants, representations and warranties of such Transferor arising under or related to this Agreement. Each Transferor shall be liable only to the extent of the obligations specifically undertaken by it in its capacity as a Transferor.

Section 3.2. Merger or Consolidation of, or Assumption of the Obligations of, a Transferor.

(a) No Transferor shall dissolve, liquidate, consolidate with or merge into any other Person or convey, transfer or sell its properties and assets substantially as an entirety to any Person (in each case, a “Surviving Entity”) unless:

(i) (x) the Surviving Entity is organized and existing under the laws of the United States of America or any state or the District of Columbia, and either is a savings association, national banking association, bank or other entity which is not eligible to be a debtor in a case under the United States Bankruptcy Code or is a special purpose entity whose powers and activities are limited, and shall expressly assume, by an agreement supplemental hereto, executed and delivered to the Trust and the Indenture Trustee, in form reasonably satisfactory to the Trust and the Indenture Trustee, the performance of every covenant and obligation of such Transferor hereunder and shall benefit from all the rights granted to such Transferor, as applicable hereunder; and (y) such Transferor has delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate of such Transferor and an Opinion of Counsel to the effect that such consolidation, merger, conveyance, transfer or sale and such supplemental agreement comply with this Section 3.2 and that such supplemental agreement is a valid and binding obligation of the Surviving Entity, enforceable against such Surviving Entity in accordance with its terms, except as such enforceability may be limited by applicable Debtor Relief Laws and except as such enforceability may be limited by general principles of equity (whether considered in a suit at law or in equity);

(ii) all UCC filings, if any, required to perfect the interest of the Trust in any Receivables and Collateral Certificates to be conveyed by the Surviving Entity shall have been made and copies thereof shall have been delivered to the Owner Trustee and the Indenture Trustee;

(iii) the Owner Trustee and the Indenture Trustee shall have received one or more Opinions of Counsel to the effect that (a) under the UCC, the transfer of Receivables and/or Collateral Certificates by the Surviving Entity shall constitute either a sale of, or the granting of a security interest in, such Receivables or Collateral Certificates, as the case may be, by the Surviving Entity to the Trust and (b) the condition specified in paragraph (ii) above shall have been satisfied;

(iv) the Owner Trustee and the Indenture Trustee shall have received an Issuer Tax Opinion and any applicable Master Trust Tax Opinion; and
(v) the Note Rating Agency Condition shall have been satisfied with respect to such consolidation, merger, conveyance, transfer or sale.

(b) The obligations of each Transferor hereunder shall not be assignable nor shall any Person succeed to the obligations of any Transferor hereunder except in each case in accordance with the provisions of the foregoing paragraph or Section 3.4.

Section 3.3. Limitations on Liability of Each Transferor. Subject to Section 3.1, no Transferor nor any of the directors, officers, employees, members, incorporators or agents of any Transferor acting in such capacities shall be under any liability to the Trust, the Owner Trustee, the Indenture Trustee, the Noteholders, the Servicer, any Supplemental Credit Enhancement Provider, any other Transferor or any other Person for any action taken, or for refraining from the taking of any action, in good faith in such capacities pursuant to this Agreement, it being expressly understood that all such liability is expressly waived and released as a condition of, and consideration for, the execution of this Agreement, the Indenture and any Indenture Supplement and the issuance of the Notes; provided, however, that this provision shall not protect any Transferor or any director, officer, employee, member, incorporator or agent of any Transferor against any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or gross negligence in the performance of duties or by reason of reckless disregard of obligations and duties hereunder. Each Transferor and any director, officer, employee, member, incorporator or agent of such Transferor may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person (other than such Transferor) respecting any matters arising hereunder.

Section 3.4. Assumption of a Transferor’s Obligations. Notwithstanding the provisions of Section 3.2, each Transferor may assign, convey, transfer or sell all of its right, title and interest in, to and under the Receivables and the Collateral Certificates in which it has an interest and/or its interest in the Transferor Interest (collectively, the “Assigned Assets”), together with all servicing functions and other obligations, if any, under this Agreement or relating to the transactions contemplated hereby (collectively, the “Assumed Obligations”), to another entity (the “Assuming Entity”) which may be an entity that is not affiliated with such Transferor, and such Transferor may assign, convey and transfer the Assigned Assets and the Assumed Obligations to the Assuming Entity, without the consent or approval of the holders of any Notes, upon satisfaction of the following conditions:

(a) the Assuming Entity, such Transferor, the Trust and the Indenture Trustee shall have entered into a supplement to this Agreement or an assumption agreement (in form and substance reasonably satisfactory to the Trust and the Indenture Trustee) (either, the “Assumption Agreement”) providing for the Assuming Entity to assume the Assumed Obligations, including the obligation under this Agreement to transfer the Receivables arising under the Accounts, the Receivables arising under any Additional Accounts and any Collateral Certificates to the Trust, and such Transferor shall have delivered to the Owner Trustee and the Indenture Trustee an Officer’s Certificate of such Transferor and an Opinion of Counsel each stating that such transfer and assumption comply with this Section 3.4, that such Assumption Agreement is a valid and binding obligation of such Assuming Entity, enforceable against such Assuming Entity in accordance with its terms, except as such enforceability may be limited by applicable Debtor Relief Laws and except as such enforceability may be limited by general
principles of equity (whether considered in a suit at law or in equity), and that all conditions precedent herein provided for relating to such transaction have been complied with;

(b) all UCC filings required to perfect the interest of the Trust in the Receivables and/or the Collateral Certificates to be conveyed by the Assuming Entity shall have been duly made and copies thereof shall have been delivered to the Owner Trustee and the Indenture Trustee;

(c) (i) if the Assuming Entity shall not be eligible to be a debtor under the United States Bankruptcy Code, such Transferor shall have delivered notice of such transfer and assumption to each Note Rating Agency or (ii) if the Assuming Entity shall be eligible to be a debtor in a case under the United States Bankruptcy Code, such Transferor shall have delivered copies of each such written notice to the Servicer, each other Transferor, the Owner Trustee and the Indenture Trustee, and the Note Rating Agency Condition shall have been satisfied;

(d) the Owner Trustee and the Indenture Trustee shall have received one or more Opinions of Counsel to the effect that (i) the transfer of Receivables and/or Collateral Certificates by the Assuming Entity shall constitute either a sale of, or the granting of a security interest in, such Receivables or Collateral Certificates, as the case may be, by the Assuming Entity to the Trust and (ii) the condition specified in paragraph (b) above shall have been satisfied; and

(e) the Owner Trustee and the Indenture Trustee shall have received an Issuer Tax Opinion and any applicable Master Trust Tax Opinion.

Upon such transfer to and assumption by the Assuming Entity, such Transferor shall surrender the certificate, if applicable, evidencing its interest in the Transferor Interest to the Note Registrar for registration of transfer and the Note Registrar shall issue a new certificate, if applicable, evidencing the Transferor Interest in the name of the Assuming Entity (or, if applicable, register such Assuming Entity’s uncertificated interest in the Transferor Interest). Notwithstanding such assumption, such Transferor shall continue to be liable for all representations and warranties and covenants made by it and all obligations performed or to be performed by it in its capacity as Transferor prior to such transfer.

Section 3.5. Expenses. The Transferor shall pay out of its own funds, without reimbursement, all expenses incurred in connection with the Trust, including the costs of filing any amendment to UCC financing statements, the costs and expenses relating to obtaining and maintaining the listing of any Notes on any stock exchange, the fees and disbursements of the Administrator as provided in Section 7.3, and any stamp, documentary, excise, property (whether on real, personal or intangible property) or any similar tax levied on the Trust or the Trust’s assets that are not expressly stated in this Agreement to be payable by the Trust or a Transferor. A Transferor’s obligations pursuant to this Section 3.5 shall not constitute a claim against such Transferor to the extent such Transferor does not have funds sufficient to make payment of such obligations.

Notwithstanding any cessation of the transfer to the Trust of additional Receivables, (i) Receivables transferred to the Trust prior to the occurrence of such Insolvency Event, (ii) Collections in respect of such Receivables and (iii) Collateral Certificates transferred to the Trust prior to the occurrence of such Insolvency Event, shall continue to be a part of the Trust Assets, and Collections with respect thereto shall continue to be allocated to Noteholders in accordance with the terms of this Agreement, the Servicing Agreement, the Indenture and each Indenture Supplement.

MISCELLANEOUS PROVISIONS

Section 7.1. Amendment; Waiver of Past Defaults.

(a) This Agreement may be amended from time to time by the Transferor, the Issuer and the Indenture Trustee, by a written instrument signed by each of them, without the consent of any of the Noteholders; provided that (i) each Transferor shall have delivered to the Indenture Trustee and the Owner Trustee an Officer’s Certificate of such Transferor, dated the date of any such amendment, stating that such Transferor reasonably believes that such amendment will not have an Adverse Effect and (ii) the Note Rating Agency Condition shall have been satisfied with respect to any such amendment.

Additionally, notwithstanding any provision of this Article VII to the contrary and in addition to the immediately preceding paragraph, this Agreement may also be amended without the consent of any of the Noteholders, upon delivery to the Owner Trustee and the Indenture Trustee of an Issuer Tax Opinion and, to the extent a Collateral Certificate is included in the Trust Assets, a Master Trust Tax Opinion, to provide for (i) the establishment of multiple asset pools and the designation of Trust Assets to be included as part of specific asset pools or (ii) those changes necessary for compliance with securities law requirements or banking regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee and the Owner Trustee an Officer’s Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future and (ii) the Note Rating Agency Condition shall have been satisfied with respect to any such amendment.

Notwithstanding any other provision of this Article VII, this Agreement may be amended from time to time by an instrument signed by the Transferor, the Issuer and the Indenture Trustee to modify, eliminate or add to the provisions of this Agreement (i) to facilitate compliance with the FDIC Rule or changes in laws or regulations applicable to the Transferor, the Issuer, the Indenture Trustee or the transactions described in this Agreement or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Agreement in any applicable Registration Statement on Form SF-3, as amended, under the Securities Act, in each case upon delivery by the Transferor to the Indenture Trustee and the Owner Trustee of (x) an Officer’s Certificate of the Transferor, dated the date of any such amendment, to the effect that (A) the Transferor reasonably believes that such amendment will not have an Adverse Effect or (B) such amendment is required to remain in compliance with the FDIC Rule or any other change of law or regulation which applies to the Transferor, the Issuer, the Indenture Trustee or the transactions governed by the Transaction Documents, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Agreement in any applicable Registration Statement on Form SF-3, as amended, under the Securities Act, and (y) an Issuer Tax Opinion with respect to such amendment and, to the extent a Collateral Certificate is included in the Trust Assets, a Master Trust Tax Opinion with respect to such amendment;
provided, however, that the Transferor or the Issuer shall have provided 10 Business Days’ prior
written notice of the substance of such amendment to each Note Rating Agency.

A copy of any amendment to this Agreement pursuant to this subsection (a) shall
be sent to each Note Rating Agency. Any amendments regarding the addition or removal of
Receivables or Collateral Certificates from the Trust as provided herein, executed in accordance
with the provisions hereof, shall not be considered amendments to this Agreement for the
purpose of subsections 7.1(a) and (b).

(b) This Agreement may also be amended in writing from time to time by the
Transferor, the Indenture Trustee and the Trust with the consent of Noteholders evidencing not
less than $\frac{66\frac{2}{3}}{\%}$ of the aggregate unpaid principal amount of all affected Series, Classes or
Tranches of Notes for which the Transferor has not delivered an Officer’s Certificate stating that
there is no Adverse Effect, for the purpose of adding any provisions to or changing in any
manner or eliminating any of the provisions of this Agreement or of modifying in any manner
the rights of any Noteholders; provided, however, that no such amendment shall (i) reduce in any
manner the amount of or delay the timing of any distributions (changes in Early Amortization
Events or Events of Default that decrease the likelihood of the occurrence thereof shall not be
considered delays in the timing of distributions for purposes of this clause) to be made to
Noteholders or deposits of amounts to be so distributed or the amount available under any
Supplemental Credit Enhancement Agreement and any Derivative Agreement without the
consent of each affected Noteholder, (ii) change the definition of or the manner of calculating the
interest of any Noteholder without the consent of each affected Noteholder, (iii) reduce the
aforesaid percentage required to consent to any such amendment without the consent of each
Noteholder or (iv) adversely affect the rating of any Series, Class or Tranche of Notes by each
Note Rating Agency without the consent of Noteholders evidencing not less than $66\frac{2}{3}\%$ of the
aggregate unpaid principal amount of such Series, Class or Tranche (which shall not be deemed
to occur if the Note Rating Agency Condition shall have been satisfied with respect to such
amendment).

(c) Promptly after the execution of any such amendment or consent (other
than an amendment pursuant to subsection (a)), the Trust shall furnish notification of the
substance of such amendment to each Noteholder, and the Transferor shall furnish notification of
the substance of such amendment to each Note Rating Agency and each Supplemental Credit
Enhancement Provider.

(d) It shall not be necessary for the consent of Noteholders under this Section
7.1 to approve the particular form of any proposed amendment, but it shall be sufficient if such
consent shall approve the substance thereof. The manner of obtaining such consents and of
evidencing the authorization of the execution thereof by Noteholders shall be subject to such
reasonable requirements as the Indenture Trustee may prescribe.

(e) Notwithstanding anything in this Section 7.1 to the contrary, no

Any supplemental agreement executed in accordance with the provisions of Section 3.2 or any Assumption Agreement executed in accordance with the provisions of Section 3.4 shall not be considered an amendment to this Agreement for purposes of this Section 7.1.

(g) The Owner Trustee and the Indenture Trustee may, but shall not be obligated to, enter into any such amendment which adversely affects in any material respect the rights, duties, benefits, protections, privileges or immunities of the Owner Trustee or the Indenture Trustee, as applicable, under this Agreement or otherwise. In connection with the execution of any amendment hereunder, the Owner Trustee and the Indenture Trustee shall be entitled to receive the Opinion of Counsel described in subsection 7.2(d).

Section 7.2. Protection of Right, Title and Interest in and to Trust Assets.

(a) The Transferor shall cause this Agreement, all amendments and supplements hereto and all financing statements and amendments to financing statements and any other necessary documents covering the right, title and interest of the Trust and the Indenture Trustee to the Trust Assets to be promptly recorded, registered and filed, and at all times to be kept recorded, registered and filed, all in such manner and in such places as may be required by law fully to preserve and protect such right, title and interest. (c) Each Transferor shall give the Owner Trustee and the Indenture Trustee prompt written notice of any relocation of any office from which it services Receivables or keeps records concerning the Receivables and the Collateral Certificates or of its chief executive office and whether, as a result of such relocation, the applicable provisions of the UCC would require the filing of any amendment of any previously filed financing statement or amendment thereto or of any new financing statement and shall file such financing statements or amendments as may be necessary to perfect or to continue the perfection of the security interest or ownership interest of the Trust in the Trust Assets. Each Transferor shall at all times maintain each office from which it services Receivables and its chief executive offices within the United States and shall at all times be organized under the laws of a jurisdiction located within the United States. Each of the Owner Trustee and the Indenture Trustee shall give each Transferor prompt notice of any change in its name or any change in its address as shown on any financing statement filed in connection with the transactions contemplated by any Related Agreement if the address so shown ceases to be an address from which information concerning the Trust Assets can be obtained.

Such list is incorporated into and made part of this Assignment, shall be Schedule I to this Assignment and shall supplement Schedule I to the Transfer Agreement.

3. Conveyance of Receivables. (a) The Transferor does hereby transfer, assign, set over and otherwise convey to the Trust, without recourse except as provided in the Transfer Agreement, all of its right, title and interest, whether now owned or hereafter acquired, in, to and under the Receivables existing at the Addition Cut Off Date and thereafter created and arising in the Aggregate Addition Accounts (including Related Accounts with respect to such Aggregate Addition Accounts), all Recoveries allocable to such Receivables, all monies due or to become due and all amounts received or receivable with respect thereto, all Collections with respect thereto, and all proceeds (including “proceeds” as defined in the UCC) thereof (collectively, the “Additional Trust Assets”).
