As purchaser of the Purchased Assets, TRS shall have the right to pledge, assign, transfer, sell and exercise full control over all the Purchased Assets, subject to the interests of any subsequent purchaser or assignee of the Purchased Assets.

The Receivables existing in the Initial Accounts at the Initial Cut-Off Date and thereafter arising in the Initial Accounts on or prior to the Closing Date, and the related Purchased Assets, shall be sold by the Seller and purchased by TRS on the Closing Date. Receivables arising after the Closing Date in the Initial Accounts (unless such Initial Account has become a Removed Account) and the related Purchased Assets shall be sold by the Seller and purchased by TRS on the date such Receivables arise. The Receivables existing in Additional Accounts at the related Addition Cut-Off Date and thereafter arising in such Additional Accounts on or prior to the related Addition Date, and the related Purchased Assets, shall be sold by the Seller and purchased by TRS on the related Addition Date. Receivables arising after such Addition Date in such Additional Accounts (unless such Additional Account has become a Removed Account) and the related Purchased Assets shall be sold by the Seller and purchased by TRS on the date such Receivables arise.

(b) The Seller shall (i) record and file, at its own expense, any financing statements (and amendments with respect to such financing statements when applicable) with respect to the Purchased Assets meeting the requirements of applicable state law in such manner and in such jurisdictions as are necessary to perfect, and maintain perfection of, the Conveyance of such Purchased Assets from the Seller to TRS, (ii) cause such financing statements and amendments to name the Seller, as seller, and TRS, as purchaser, of the Purchased Assets and (iii) deliver a file-stamped copy of such financing statements or amendments or other evidence of such filings to TRS as soon as is practicable after filing.

(c) The Seller shall, at its own expense, (i) on or prior to (x) the Closing Date, in the case of Initial Accounts, and (y) the applicable Addition Date, in the case of Additional Accounts, indicate in its books and records (including its computer files) that Receivables created in connection with such Accounts and the related Purchased Assets have been sold to
TRS in accordance with this Agreement and have been conveyed by TRS to RFC VIII pursuant to the TRS-RFC VIII Receivables Purchase Agreement and by RFC VIII to the Trust pursuant to the Transfer Agreement, and (ii) on or prior to (x) the Closing Date, in the case of Initial Accounts, and (y) the applicable Addition Date, in the case of Additional Accounts, deliver or cause to be delivered to TRS an Account Schedule (provided, however, that such Account Schedule shall be provided in respect of New Accounts on the New Account Delivery Date) containing a true and complete list of all such Accounts. The Seller shall not alter the indication referenced in clause (i) of this paragraph with respect to any Account during the term of this Agreement unless and until such Account is no longer an Account or the Seller has taken such action as is necessary or advisable to cause the interest of TRS in the Purchased Assets to continue to be perfected and of first priority. The Account Schedules, as supplemented and amended, collectively shall be marked as Schedule 1 to this Agreement, shall be incorporated into and made a part of this Agreement and shall be updated or caused to be updated by the Seller on each Addition Date (or, with respect to New Accounts, on the New Account Delivery Date) to include any new Additional Accounts, and shall be updated or caused to be updated by the Seller not later than semi-annually to include any new Related Accounts.

(d) The parties hereto intend that the conveyance of the Seller’s right, title and interest in and to the Purchased Assets shall constitute an absolute sale, conveying good title free and clear of any liens, claims, encumbrances or rights of others, from the Seller to TRS. It is the intention of the parties hereto that the arrangements with respect to the Purchased Assets shall constitute a purchase and sale of such Purchased Assets and not a loan, including for accounting purposes. In the event, however, that it were to be determined that the transactions evidenced hereby constitute a loan and not a purchase and sale, it is the intention of the parties hereto that this Agreement shall constitute a security agreement under applicable law, and that the Seller shall be deemed to have granted, and the Seller does hereby grant, to TRS a security interest, which security interest shall be a first priority perfected security interest in all of the Seller’s right, title and interest, whether now owned or hereafter acquired, in, to and under the Purchased Assets to secure the obligations of the Seller hereunder.

(e) To the extent that the Seller retains any interest in the Purchased Assets, the Seller hereby grants to the Trust and the Indenture Trustee a security interest in all of the Seller’s right, title and interest, whether now owned or hereafter acquired, in, to and under the Purchased Assets, to secure the performance of all of the obligations of the Seller hereunder. With respect to such security interest and such collateral, the Trust and the Indenture Trustee shall have all of the rights that it has under the Transfer Agreement. Each of the Trust and the Indenture Trustee shall also have all of the rights of a secured creditor under the UCC.

(f) Each Account will continue to be owned by the related Account Owner and is not a Purchased Asset.

(g) By executing this Agreement, each of the Seller and TRS acknowledges and agrees that:

(i) on and after the date of this Agreement, all references to the Original Agreements in any other instruments or documents shall be deemed to constitute references to this Agreement;
(ii) all outstanding representations, warranties and covenants made by TRS under the Original Agreements and any of TRS’ existing obligations under the Original Agreements shall remain outstanding and in full force and effect as representations, warranties, covenants and obligations of TRS under this Agreement, as amended and restated;

(iii) AENB, as successor by conversion to Centurion, expressly assumes all outstanding representations, warranties and covenants made by Centurion under the Centurion – TRS Agreement, and the performance of every obligation of Centurion with respect thereto, each of which shall remain outstanding and in full force and effect as a representation, warranty, covenant or obligation, as applicable, of AENB under this Agreement, as amended and restated;

(iv) AENB, as successor by merger to FSB, expressly assumes all outstanding representations, warranties and covenants made by FSB under the FSB – TRS Agreement, and the performance of every obligation of FSB with respect thereto, each of which shall remain outstanding and in full force and effect as a representation, warranty, covenant or obligation, as applicable, of AENB under this Agreement, as amended and restated;

(v) this Agreement does not constitute a novation of (i) any of the obligations arising under or in connection with either of the Original Agreements or (ii) any security interest granted under or in connection with either of the Original Agreements; and

(vi) Schedule 1 to each of the Centurion – TRS Agreement and the FSB – TRS Agreement shall be incorporated into and made a part of Schedule 1 to this Agreement.

Section 2.02. Addition of Aggregate Addition Accounts.

(a) If, from time to time, TRS becomes obligated to designate Aggregate Addition Accounts (as such term is defined in the Transfer Agreement) pursuant to Subsection 2.02(a) of the TRS-RFC VIII Receivables Purchase Agreement, then TRS may, at its option, give the Seller written notice thereof on or before the eighth Business Day (the “Addition Notice Date”) prior to the Addition Date therefor, and upon receipt of such notice, the Seller shall, on or before the Addition Date, designate sufficient Eligible Accounts as Aggregate Addition Accounts and sell to TRS the Purchased Assets related to such Aggregate Addition Accounts so that, following the inclusion thereof, TRS will be in compliance with the requirements of Subsection 2.02(a) of the TRS-RFC VIII Receivables Purchase Agreement. Additionally, subject to Subsection 2.02(b) of this Agreement, at its option and with the consent of TRS, the Seller may designate Eligible Accounts as Aggregate Addition Accounts and sell to TRS the Purchased Assets related to such Aggregate Addition Accounts. In either event, the Seller shall have sole responsibility for selecting the Aggregate Addition Accounts.

(b) On the Addition Date with respect to any designation of Aggregate Addition Accounts, such Aggregate Addition Accounts shall become Accounts, and TRS shall purchase the Seller’s right, title and interest in, to and under the Receivables in such Aggregate Addition Accounts and the related Purchased Assets as provided in Section 2.01, subject to the satisfaction of the following conditions on such Addition Date:
(i) as of the applicable Selection Date, each Aggregate Addition Account shall be an Eligible Account;

(ii) The Seller shall have delivered to TRS copies of UCC financing statements covering such Aggregate Addition Accounts, if necessary to perfect TRS’s interest in the Receivables arising therein and the related Purchased Assets;

(iii) The Seller, on behalf of TRS, shall have deposited, or shall have caused the Servicer to deposit, into the Segregation Account all Collections with respect to such Aggregate Addition Accounts since the applicable Addition Cut-Off Date;

(iv) as of each of the Addition Cut-Off Date and the Addition Date, no Insolvency Event with respect to the Seller shall have occurred nor shall the sale of the Receivables arising in the Aggregate Addition Accounts and the related Purchased Assets to TRS have been made in contemplation of the occurrence thereof;

(v) such addition will not, in the reasonable belief of the Seller, have a material adverse effect on TRS;

(vi) The Seller shall have delivered to TRS an Officer’s Certificate of the Seller, dated the Addition Date, confirming, to the extent applicable and in the Seller’s reasonable belief, the items set forth in clauses (i) through (v) above;

(vii) The Seller shall have indicated in its computer files that Receivables created in connection with such Aggregate Addition Accounts and the related Purchased Assets have been sold to TRS and shall have delivered or caused to be delivered to TRS the Account Schedule with respect to such Aggregate Addition Accounts in accordance with Subsection 2.01(c); and

(viii) The Seller and TRS shall have entered into a duly executed, written assignment, substantially in the form of Exhibit A (an “Aggregate Addition Account Supplemental Conveyance”).

Section 2.03. Addition of New Accounts.

(a) Upon the mutual agreement of the Seller and TRS, subject to compliance by the Seller with Subsection 2.03(b), the Seller may designate newly originated Eligible Accounts to be included as New Accounts and sell to TRS the Purchased Assets related to such New Accounts. The Seller shall cooperate with TRS to enable TRS to comply with the requirements of Subsections 2.03(a) and (b) of the TRS-RFC VIII Receivables Purchase Agreement and shall cooperate with TRS to enable TRS to perform with respect to the Receivables in such New Accounts all actions specified in Subsections 2.03(a) and (b) of the TRS-RFC VIII Receivables Purchase Agreement.

(b) On the Addition Date with respect to any New Accounts, TRS shall purchase the Seller’s right, title and interest in, to and under the Receivables in such New Accounts (and such New Accounts shall be deemed to be Accounts for purposes of this Agreement) upon satisfaction of the following conditions:
(i) as of the applicable Selection Date, each New Account shall be an Eligible Account;

(ii) on such Addition Date, the Seller shall have delivered to TRS copies of UCC financing statements covering such New Accounts, if necessary to perfect TRS’s interest in the Receivables arising therein and the related Purchased Assets;

(iii) The Seller, on behalf of TRS, shall have deposited, or shall have caused the Servicer to deposit, into the Segregation Account all Collections with respect to such New Accounts since the applicable Addition Cut-Off Date;

(iv) as of each of the Addition Cut-Off Date and such Addition Date, no Insolvency Event with respect to the Seller shall have occurred nor shall the sale of the Receivables arising in the New Accounts and the related Purchased Assets to TRS have been made in contemplation of the occurrence thereof;

(v) such addition will not, in the reasonable belief of the Seller, have a material adverse effect on TRS;

(vi) on such Addition Date, the Seller shall have delivered to TRS an Officer’s Certificate of the Seller, dated such Addition Date, confirming, to the extent applicable and in the Seller’s reasonable belief, the items set forth in clauses (i) through (v) above;

(vii) on such Addition Date, the Seller shall have indicated in its computer files that Receivables created in connection with such New Accounts and the related Purchased Assets have been sold to TRS; and

(viii) on such Addition Date, the Seller and TRS shall have entered into a duly executed, written assignment, substantially in the form of Exhibit B (a “New Account Supplemental Conveyance”).

(c) On the related New Account Delivery Date, the Seller shall deliver or cause to be delivered the Account Schedule with respect to such New Accounts.

Section 2.04. Removal and Deletion of Accounts.

(a) If an Account becomes a Removed Account, then the Seller shall stop selling to TRS Receivables arising in such Removed Account effective on the Business Day (the “Stop Date”) after the date such Account becomes a Removed Account. Notwithstanding the cessation of the sale to TRS of additional Receivables arising in such Removed Account, Receivables sold to TRS prior to the Stop Date and Collections in respect of such Receivables shall continue to be property of TRS available for transfer by TRS to RFC VIII pursuant to the TRS-RFC VIII Receivables Purchase Agreement and by RFC VIII to the Trust pursuant to the Transfer Agreement. To the extent that it is not clear to the Seller whether Collections relate to a Receivable that was sold to TRS or to a Receivable that the Seller did not sell to TRS, the Seller shall allocate payments on each such Removed Account with respect to the principal balance of such Removed Account first to the oldest principal balance of such Removed Account.
(b) On and after the Stop Date for a Removed Account, the Seller may mark its books and records to indicate that such Account is a Removed Account, but the Seller shall not (i) alter the indication referenced in clause (i) of Subsection 2.01(c) with respect to such Removed Account unless and until such Account becomes a Deleted Account or the Seller has taken such action as is necessary or advisable to cause the interest of TRS in the Purchased Assets to continue to be perfected and of first priority, or (ii) delete such Removed Account from Schedule 1 hereto or any Account Schedule.

(c) Once a Removed Account becomes a Deleted Account, the Seller may delete such Deleted Account from Schedule 1 hereto and, upon such deletion, shall indicate in its computer files that such Deleted Account is no longer an Account.

ARTICLE III

CONSIDERATION AND PAYMENT

Section 3.01. Purchase Price.

The “Purchase Price” for the Receivables in the Initial Accounts existing at the Initial Cut-Off Date, and the related Purchased Assets, that are conveyed to TRS under this Agreement shall be payable on the Closing Date, in an amount equal to 100% of the aggregate balance of the Receivables so conveyed, adjusted to reflect such factors, if any, as the Seller and TRS mutually agree will result in a Purchase Price determined to be the fair market value of such Receivables and the related Purchased Assets. This computation of initial purchase price shall assume no reinvestment in new Receivables. The Purchase Price for the Receivables (including Receivables in Additional Accounts) and the related Purchased Assets conveyed to TRS under this Agreement which come into existence after the Initial Cut-Off Date (i) shall be payable in cash on each Business Day or on such other periodic basis mutually agreed to by the Seller and TRS, but no later than the 15th calendar day of the Monthly Period (or, if such day is not a Business Day, the next following Business Day) following the calendar month in which such Receivables and the related Purchased Assets are conveyed by the Seller to TRS (each date on which the Purchase Price is so paid, the “Purchase Price Payment Date”) and (ii) shall be an amount equal to 100% of the aggregate balance of the Receivables so conveyed, adjusted to reflect such factors, if any, as the Seller and TRS mutually agree will result in a Purchase Price determined to be the fair market value of such Receivables and the related Purchased Assets.

Notwithstanding any other provision of this Agreement, the Seller shall not be obligated to continue to sell Receivables or other Purchased Assets to TRS to the extent that the Seller is not paid the Purchase Price therefor as provided herein.

Section 3.02. Adjustments to Purchase Price. The Purchase Price shall be reduced (a “Purchase Price Adjustment”) on the Purchase Price Payment Date with respect to any Receivable previously conveyed to TRS by the Seller which is reduced by the Seller or the Servicer (pursuant to its customary servicing standards and guidelines for customer service and cardmember account relations and to give effect to rebates offered by the Seller) because of a rebate, refund, unauthorized charge or billing error to an Obligor, because such Receivable was created in respect of merchandise which was refused or returned by an Obligor, because such Receivable was created in respect of merchandise which was refused or returned by an Obligor, or because the Seller or the Servicer processes as a credit adjustment any uncollectible Small Balances, or if the Servicer otherwise adjusts downward the amount of any Receivable without receiving Collections therefor or without charging off such amount as uncollectible. The amount of such reduction shall equal the reduction in the balance of such Receivable resulting from the occurrence of such event. In the event that a reduction pursuant to this Section 3.02 causes the Purchase Price to be a negative number, the Seller agrees that, on the Purchase Price Payment Date, the Seller shall pay or cause to be paid to TRS an amount equal to the amount by which the Purchase Price Adjustment exceeds the unadjusted Purchase Price. Notwithstanding the foregoing, in no event shall a Purchase Price Adjustment include adjustments attributable to uncollectible receivables and adjustments made as part of the Servicer's credit and collection processes. For the avoidance of doubt, Purchase Price Adjustments shall not have the purpose or
effect of protecting TRS, as purchaser of the Purchased Assets, from credit risk in the Purchased Assets.

Section 3.03. **Use of Name, Logo and Marks.** The Seller does hereby grant to TRS a non-exclusive license to use the name “American Express National Bank” and all related identifying trade or service marks, signs, symbols, logos, designs, servicing software, customer lists and other intangibles in connection with the servicing of the Receivables purchased hereunder. The license granted shall be co-extensive with the term of the Agreement.

Section 3.04. **Servicing of Receivables.** TRS is the Servicer of the Purchased Assets pursuant to the Servicing Agreement. TRS agrees that the Seller shall not be responsible for the payment of any fees for servicing the Purchased Assets sold by the Seller to TRS under this Agreement.

(ii) Due Qualification. (iii) Due Authorization. The execution and delivery by the Seller of this Agreement and any other document or instrument delivered by the Seller pursuant hereto, including any Supplemental Conveyance, to which the Seller is a party and the consummation by the Seller of the transactions provided for in this Agreement and any such Supplemental Conveyance, have been duly authorized by the Seller by all necessary action on the part of the Seller.

(iv) No Conflict or Violation. The execution and delivery by the Seller of this Agreement, the performance by the Seller of the transactions contemplated by this Agreement and the fulfillment by the Seller of the terms of this Agreement applicable to the Seller, will not conflict with or violate in any material respect any Requirements of Law applicable to the Seller or conflict with, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract, agreement, mortgage, deed of trust or other instrument to which the Seller is a party or by which it or its properties are bound.

(v) No Proceedings. There are no Proceedings or investigations pending or, to the best knowledge of the Seller, threatened against the Seller before any Governmental Authority (i) asserting the invalidity of this Agreement, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Agreement, (iii) seeking any determination or ruling that, in the reasonable judgment of the Seller,

This Agreement and the transactions contemplated hereby are arm’s length, bona fide transactions.

(viii) **Approval.** This Agreement and each Supplemental Conveyance have each been approved by either the board of directors of the Seller or by the loan committee of the Seller and such approvals are reflected in the minutes of such board or committee. This Agreement and each Supplemental Conveyance have been, continuously, from the time of execution, in the official record of the Seller.

(b) **Notice of Breach.** The representations and warranties set forth in this Section 4.01 shall survive the sale of the Purchased Assets to TRS. Upon discovery by the Seller or TRS of a breach of any of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other party, RFC VIII, the Owner Trustee and the Indenture Trustee following such discovery.

Section 4.02. **Representations and Warranties of the Seller Relating to the Agreement and the Receivables.**

(a) **Representations and Warranties.** The Seller hereby represents and warrants to TRS as of the Closing Date with respect to the Initial Accounts (and the Receivables arising therein), and as of the related Addition Date with respect to Additional Accounts (and the Receivables arising therein), that:

(i) each of this Agreement and, in the case of Additional Accounts, the related Supplemental Conveyance constitutes a legal, valid and binding obligation of the Seller enforceable against the Seller in accordance with its terms, except as such enforceability may be limited by applicable Debtor Relief Laws or general principles of equity;

(ii) (a) as of the Initial Cut-Off Date with respect to the Initial Accounts (and the Receivables arising thereunder), **Schedule 1** to this Agreement, as supplemented to such date, is an accurate and complete listing in all material respects of all the Accounts

(iii) each Receivable conveyed to TRS has been conveyed to TRS free and clear of any Lien (other than any Lien for municipal or other local taxes of the Seller if such taxes are not then due and payable or if the Seller is then contesting the validity thereof in good faith by appropriate proceedings and has set aside on its books adequate reserves with respect thereto);

(iv) all authorizations, consents, orders or approvals of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by the Seller in connection with the conveyance of Receivables to TRS have been duly obtained, effected or given and are in full force and effect;

(v) this Agreement and, in the case of Additional Accounts, the related Supplemental Conveyance, constitutes a valid sale to TRS of all right, title and interest of the Seller in the Purchased Assets, and such sale is perfected under the UCC;

(vi) The Seller has or will cause, as applicable, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Purchased Assets granted to TRS under this Agreement and upon filing of all such appropriate financing statements, TRS will have a first priority perfected security interest in such property;

(vii) on the applicable Selection Date, each such Account is an Eligible Account;

(viii) on the applicable Selection Date, each Receivable contained in such Account on such applicable date and sold to TRS by the Seller is an Eligible Receivable;

(ix) as of the date of the creation of any new Receivable sold to TRS by the Seller, such Receivable is an Eligible Receivable;

(x) no selection procedures believed by the Seller to be materially adverse to the interests of TRS or its transferees have been used in selecting such Accounts; and

(xi) The Seller received adequate consideration for each Receivable conveyed to TRS.

(b) Notice of Breach. The representations and warranties set forth in this Section 4.02 shall survive the sale of the Purchased Assets to TRS. Upon discovery by either the Seller or
TRS of a breach of any of the representations and warranties set forth in this Section 4.02, the party discovering such breach shall give prompt written notice to the other party, RFC VIII, the Owner Trustee and the Indenture Trustee following such discovery. The Seller hereby acknowledges that TRS intends to rely on the representations hereunder in connection with representations made by TRS to secured parties, assignees or subsequent transferees, including transfers made by TRS to RFC VIII pursuant to the TRS-RFC VIII Receivables Purchase Agreement and thereafter by RFC VIII to the Trust pursuant to the Transfer Agreement and by the Trust to the Indenture Trustee pursuant to the Indenture, and that RFC VIII, the Owner Trustee and the Indenture Trustee may enforce such representations and warranties directly against the Seller, and the Seller hereby consents to such reliance.

Section 4.03. Representations and Warranties of TRS. As of the Closing Date and each Addition Date, TRS hereby represents and warrants to, and agrees with, the Seller that:

(a) **Organization and Good Standing.** TRS is a corporation duly organized and validly existing under the laws of the State of New York, and has, in all material respects, full power and authority to own its properties and conduct its business as such properties are presently owned and such business is presently conducted, and to execute, deliver and perform its obligations under this Agreement.

(b) **Due Qualification.** TRS is duly qualified to do business and is in good standing and has obtained all necessary licenses and approvals, in each jurisdiction in which failure to so qualify or to obtain such licenses and approvals would have a material adverse effect on this Agreement or the transactions contemplated hereby or on the ability of TRS to perform its obligations under this Agreement.

(c) **Due Authorization.** The execution and delivery by TRS of this Agreement and any other document or instrument delivered pursuant hereto, including any Supplemental Conveyance, to which RFC VIII is a party, and the consummation by TRS of the transactions provided for in this Agreement and any such Supplemental Conveyance, have been duly authorized by TRS by all necessary company action on the part of TRS.

(d) **No Conflict or Violation.** The execution and delivery by TRS of this Agreement, the performance by TRS of the transactions contemplated by this Agreement and the fulfillment by TRS of the terms of this Agreement applicable to TRS, will not conflict with or violate in any material respect any Requirements of Law applicable to TRS or conflict with, result in any breach of any of the material terms and provisions of, or constitute (with or without notice or lapse of time or both) a material default under, any indenture, contract, agreement, mortgage, deed of trust or other instrument to which TRS is a party or by which it or any of its properties are bound.
(e) **No Proceedings.** There are no Proceedings or investigations pending or, to the best knowledge of TRS, threatened, against TRS, before any Governmental Authority (i) asserting the invalidity of this Agreement, (ii) seeking to prevent the consummation of any of the transactions contemplated by this Agreement, (iii) seeking any determination or ruling that, in the reasonable judgment of TRS, would materially and adversely affect the performance by TRS of its obligations under this Agreement or (iv) seeking any determination or ruling that, in the reasonable judgment of TRS, would materially and adversely affect the validity or enforceability of this Agreement.

(f) **All Consents.** All authorizations, consents, orders or approvals of or registrations or declarations with any Governmental Authority required to be obtained, effected or given by TRS in connection with the execution and delivery by TRS of this Agreement and the performance by TRS of the transactions contemplated by this Agreement have been duly obtained, effected or given and are in full force and effect.

The representations and warranties set forth in this Section 4.03 shall survive the sale of the Purchased Assets to TRS. Upon discovery by the Seller or TRS of a breach of any of the foregoing representations and warranties, the party discovering such breach shall give prompt written notice to the other party, RFC VIII, the Owner Trustee and the Indenture Trustee following such discovery.

[END OF ARTICLE IV]
ARTICLE V

COVENANTS

Section 5.01. Covenants of the Seller. The Seller hereby covenants and agrees with TRS as follows:

(a) Receivables Not To Be Evidenced by Instruments. Except in connection with its enforcement or collection of an Account, the Seller will take no action to cause any Receivable sold to TRS hereunder to be evidenced by any instrument (as defined in the UCC), and if any Receivable is so evidenced as a result of any action by the Seller, it shall be deemed to be a Receivable described in Subsection 6.01(a) and shall be reassigned to the Seller in accordance with Subsection 6.01(b).

(b) Security Interests. Except for the conveyances hereunder, the Seller will not sell, pledge, assign or transfer to any other Person, or take any other action inconsistent with TRS’s ownership of, the Purchased Assets, or grant, create, incur, assume or suffer to exist any Lien arising through or under the Seller on any Purchased Asset or any interest therein (other than any Lien for municipal or other local taxes of the Seller if such taxes are not then due and payable or if the Seller is then contesting the validity thereof in good faith by appropriate proceedings and has set aside on its books adequate reserves with respect thereto), and the Seller shall not claim any ownership interest in any Purchased Asset and shall defend the right, title and interest of TRS in, to and under the Purchased Assets against all claims of third parties claiming through or under the Seller.

(c) Account Allocations. If a Transfer Restriction Event occurs, the Seller agrees (except as prohibited by any such order or any Requirement of Law) to allocate and pay to TRS, after the date of such Transfer Restriction Event, all Collections with respect to Receivables previously sold to TRS. To the extent that it is not clear to the Seller whether collections relate to a Receivable that was sold to TRS or to a receivable that the Seller is unable to sell to TRS, the Seller agrees that it shall allocate payments on each Account with respect to the principal balance of such Account first to the oldest principal balance of such Account. Notwithstanding any cessation of the sale to TRS of additional Receivables, Receivables sold to TRS prior to the occurrence of the Transfer Restriction Event and Collections in respect of such Receivables shall continue to be property of TRS available for transfer by TRS to RFC VIII pursuant to the TRS-RFC VIII Receivables Purchase Agreement and by RFC VIII to the Trust pursuant to the Transfer Agreement.

(d) Delivery of Collections. In the event that the Seller receives Collections or any other amounts in respect of the Purchased Assets sold to TRS hereunder, the Seller agrees to pay to TRS (or to RFC VIII, the Servicer or the Indenture Trustee if TRS so directs) all such Collections and other amounts promptly after receipt thereof.

(e) Notice of Liens. The Seller shall notify TRS promptly after becoming aware of any Lien arising through or under the Seller on any Purchased Asset other than the conveyances hereunder.
(f) **Documentation of Transfer.** The Seller shall timely file in all appropriate filing offices the documents which are necessary or advisable to perfect and maintain the perfection of the sale of the Purchased Assets to TRS.

(g) **Account Agreements and Guidelines.** Subject to compliance with all Requirements of Law, the Seller may effect or permit a change to the terms and provisions of the Account Agreements or the Account Guidelines applicable to the Accounts in any respect (including the calculation of the amount or the timing of charge-offs and other fees to be assessed thereon) only if such change is made applicable to any comparable segment of charge accounts owned by the Seller which have characteristics the same as, or substantially similar to, the Accounts that are the subject of such change, except as otherwise restricted by an endorsement, sponsorship, or other agreement between the Seller and an unrelated third party or by the terms of the Account Agreements. Notwithstanding the above, unless required by Requirements of Law, the Seller will not take any action with respect to such Account Agreements or such Account Guidelines which, at the time of such action, the Seller reasonably believes will have a material adverse effect on TRS.

(h) **Name and Type and Jurisdiction of Organization.** The Seller shall not change its name or its type or jurisdiction of organization without previously having delivered to TRS an opinion of counsel to the effect that all actions have been taken, and all filings have been made, as are necessary to continue and maintain the first-priority perfected ownership interest of TRS in the Purchased Assets.

(i) **Annual Opinion.** On or before March 31st of each calendar year, commencing March 31, 2019, the Seller shall deliver to TRS, with a copy to the Indenture Trustee, an opinion of counsel to the effect that (i) no further action with respect to the recording or filing of any financing statements, any amendments to financing statements, or any other documents or filings is then necessary to perfect the ownership interest of TRS in the Purchased Assets, and (ii) no further action with respect to the recording or filing of any financing statements, any amendments to financing statements, or any other documents or filings will be necessary prior to March 31st of the next calendar year to perfect the ownership interest of TRS in the Purchased Assets or stating what such filings will be necessary prior to such March 31st.

(j) **Asset Representations Review.** The Seller shall (i) cooperate with the Asset Representations Reviewer in creating and, from time to time, reviewing procedures for an Asset Representations Review, and (ii) cooperate with the Servicer to provide the Asset Representations Reviewer with reasonable access to information upon the initiation of an Asset Representations Review pursuant to Section 2.17(a) of the Transfer Agreement. Following the completion of an Asset Representations Review and receipt by TRS of the related report by the Asset Representations Reviewer, TRS will provide a copy of such report to the Seller. TRS, with the cooperation of the Seller, shall determine whether any noncompliance with the Covered Representations constitutes a breach of any of such Covered Representations and shall provide notice of such determination to the Seller, RFC VIII, the Servicer and the Indenture Trustee.

(As required by Section 2.02 of the Receivables Purchase Agreement)

SUPPLEMENTAL CONVEYANCE No. [___], dated as of [__________], by and between AMERICAN EXPRESS NATIONAL BANK, a national banking association (together with its successors and assigns, “AENB” or the “Seller”), and AMERICAN EXPRESS TRAVEL RELATED SERVICES COMPANY, INC., a New York corporation (together with its successors and assigns, “TRS”), pursuant to the Receivables Purchase Agreement referred to below.

W I T N E S S E T H:

WHEREAS, the Seller and TRS are parties to an Amended and Restated Receivables Purchase Agreement, dated as of April 1, 2018 (hereinafter as such agreement may have been, or may from time to time be, amended, supplemented or otherwise modified, the “Receivables Purchase Agreement”);

WHEREAS, pursuant to the Receivables Purchase Agreement, the Seller wishes to designate Aggregate Addition Accounts to be included as Accounts and the Seller wishes to convey its right, title and interest in the Receivables of such Aggregate Addition Accounts, whether existing at the Addition Cut-Off Date or thereafter created, to TRS pursuant to the Receivables Purchase Agreement; and

WHEREAS, TRS is willing to accept such designation and conveyance subject to the terms and conditions hereof.

NOW, THEREFORE, the Seller and TRS hereby agree as follows:

1. Defined Terms. All capitalized terms used herein shall have the meanings ascribed to them in the Receivables Purchase Agreement unless otherwise defined herein.

   “Addition Cut-Off Date” shall mean, with respect to the Aggregate Addition Accounts, the opening of business on [__________].

   “Addition Date” shall mean, with respect to the Aggregate Addition Accounts, [__________].

   “Additional Purchased Assets” shall have the meaning set forth in Subsection 3(a).

   “Aggregate Addition Accounts” shall mean the Aggregate Addition Accounts, as defined in the Receivables Purchase Agreement, that are designated hereby and listed on Schedule 1 hereto.
“Selection Date” shall mean [(i)] for the added accounts with the code designation “[__],” the close of business on the cycle billing date for such added accounts occurring in the period beginning on the close of business on [_______] and ending at the close of business on [_______] [and (ii) for the added accounts with the code designation “[__],” the close of business on the cycle billing date for such added accounts occurring in the period beginning on the close of business on [_______] and ending at the close of business on [_______]].

2. Designation of Aggregate Addition Accounts. The Seller delivers or causes to be delivered herewith an Account Schedule containing a true and complete list of the Aggregate Addition Accounts. Such Account Schedule is incorporated into and made part of this Supplemental Conveyance, shall be Schedule 1 to this Supplemental Conveyance and shall supplement Schedule 1 to the Receivables Purchase Agreement.

3. Conveyance of Receivables.

(a) The Seller does hereby sell, transfer, assign, set over and otherwise convey to TRS, without recourse except as provided in the Receivables Purchase Agreement, all of its right, title and interest, whether now owned or hereafter acquired, in, to and under the Receivables arising in the Aggregate Addition Accounts (including Related Accounts with respect to such Aggregate Addition Accounts), existing at the Addition Cut-Off Date and thereafter created (unless such Aggregate Addition Account has become a Removed Account), all Recoveries allocable to such Receivables, all monies due or to become due and all amounts received or receivable with respect thereto, all Collections with respect thereto, and all proceeds (including “proceeds” as defined in the UCC) thereof (collectively, the “Additional Purchased Assets”). (c) The Seller shall, at its own expense, on or prior to the Addition Date, indicate in its books and records (including its computer files) that all Receivables created in connection with the Aggregate Addition Accounts and the related Additional Purchased Assets have been sold to TRS pursuant to this Supplemental Conveyance.

(d) The parties hereto intend that the conveyance of the Seller’s right, title and interest in and to the Additional Purchased Assets shall constitute an absolute sale, conveying good title free and clear of any liens, claims, encumbrances or rights of others from the Seller to TRS. It is the intention of the parties hereto that the arrangements with respect to the Additional Purchased Assets shall constitute a purchase and sale of such Additional Purchased Assets and not a loan.
the event, however, that it were to be determined that the transactions evidenced hereby constitute a loan and not a purchase and sale, it is the intention of the parties hereto that this Supplemental Conveyance shall constitute a security agreement under applicable law, and that the Seller shall be deemed to have granted, and the Seller does hereby grant, to TRS a first priority perfected security interest in all of the Seller’s right, title and interest, whether now owned or hereafter acquired, in, to and under the Additional Purchased Assets to secure the obligations of the Seller hereunder and under the Receivables Purchase Agreement.

With respect to such security interest and such collateral, each of the Trust and the Indenture Trustee shall have all of the rights that it has under the Transfer Agreement. Each of the Trust and the Indenture Trustee shall also have all of the rights of a secured creditor under the UCC.

4. Acceptance by TRS. TRS hereby acknowledges that, prior to or simultaneously with the execution and delivery of this Supplemental Conveyance, the Seller delivered or caused to be delivered to TRS the Account Schedule described in Section 2 of this Supplemental Conveyance with respect to all Aggregate Addition Accounts.

5. Representations and Warranties of the Seller. The Seller hereby acknowledges on the Addition Date that it makes the representations and warranties in Sections 4.01 and 4.02 of the Receivables Purchase Agreement with respect to the Aggregate Addition Accounts.

6. Ratification of the Receivables Purchase Agreement. The Receivables Purchase Agreement is hereby ratified, and all references to the “Receivables Purchase Agreement,” to “this Agreement” and “herein” shall be deemed from and after the Addition Date to be a reference to the Receivables Purchase Agreement as supplemented and amended by this Supplemental Conveyance. Except as expressly amended hereby, all the representations, warranties, terms, covenants and conditions of the Receivables Purchase Agreement shall remain unamended and shall continue to be, and shall remain, in full force and effect in accordance with its terms and, except as expressly provided herein, shall not constitute or be deemed to constitute a waiver of compliance with or consent to non-compliance with any term or provision of the Receivables Purchase Agreement.

7. Counterparts. This Supplemental Conveyance may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument.
8. GOVERNING LAW. THIS SUPPLEMENTAL CONVEYANCE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICT OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW), AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.
